

# Acapella

LUXURY MOTOR SAILER

## OVERVIEW

Acapella is an exceptional example of Croatian shipbuilding, created with a clear focus on refined luxury and authentic sailing performance. Designed and built by the Gluncic family, she reflects a deep commitment to craftsmanship heritage rooted on Island Korčula. With her sleek lines, contemporary design, and sophisticated comfort, MSY *Acapella* offers a distinctive presence in the Mediterranean, standing as a unique addition to Croatia's luxury yachting scene.

Acapella

"To all Acapella crew, thank you so much for the most fun and unforgettable experience. You all made this the best week I've ever had. You guys met us with such sweetness and hospitality, and it wouldn't have been the same without you. And to the captain + boat itself - wow. This was and is the most amazing creation we've ever seen. Thank you from the absolute bottom of our hearts!"

"To our new family... Acapella, Captain Niksa, and the incredible crew. Mahalos all around for taking us into your arms with the most exceptional care and love! We had adventures galore, magnificent feasts, magical nights of stars, karaoke and outdoor movies, tender rides to beautiful villages, and we were spoiled with comfy cabins with cool sheets, knowing we were going to have dreams of experiences to come. We loved it all and look forward to the next voyage. It was the best trip of our lives!"
