ABOUT AHS

AHS is a timeless masterpiece reimagined for the modern era.

CRAFTED by Oceano in 2005, this extraordinary vessel stands as a beacon of modern luxury and classic sophistication. A series of meticulous refits, including an extensive 16-month rebuild completed between 2018 and 2020, have ensured she remains in pristine condition and perfectly aligned with contemporary yachting trends.

In 2025, she emerged even more radiant with a host of impressive upgrades: a newly appointed double cabin on the Main Deck, refreshed Master and VIP suites, redesigned interior furnishings, all-new exterior furniture, and a curated collection of striking new artwork throughout.

The yacht's distinctive rounded transom pays homage to the Golden Era of yachting, imparting a unique and timeless elegance to her silhouette. Her interiors are the legacy of the late, great Alberto Pinto, whose vision of grandeur and comfort elevates the experience aboard to something truly exceptional. The result is a seamless fusion of classic charm and cutting-edge luxury, crafted to leave a lasting impression.

Accommodations are beyond generous: up to 12 guests in 7 staterooms, each a private haven of refined style. An exceptional crew of 18 delivers service at the highest level, with 2 additional staff cabins, each with bunk beds, on the upper deck to accommodate up to 4 supernumeraries.

Step inside and discover a voluminous interior that feels like a yacht twice her size—an experience shaped by Pinto's unmistakable touch. The lavish interior features a fabulous cinema room that can seat up to 16 and palatial lounges on the main and upper decks.

The expansive exterior decks invite guests to unwind under the sun or stars, with alfresco dining for 18, a spectacular 19,000-litre (5,000-gallon) waterfall pool, a dedicated gym, and an elegant beach club offering effortless access to the sea.

This is not merely a yacht—it is a floating sanctuary of style, soul, and sophistication. An unforgettable charter experience awaits.
