AZIMUT

ALE III is a 38.22 metre Azimut motor yacht, designed by Alberto Mancini and delivered brand new in 2026. She is built for the kind of charter where the days feel effortless, with space to spread out, plenty of shade and sun in equal measure, and nothing you need to organise.

A crew of 2 looks after the details on board, so guests can spend their time on the water, at the table or simply on a sun pad with a book.

ALE III sleeps up to 12 guests in 6 cabins: a master cabin on the main deck, a VIP on the upper deck, two more VIP cabins and a double on the lower deck, and a twin with a Pullman berth.

Life on board moves easily between inside and out. Long lunches stretch across the aft deck, a bow jacuzzi is there for slow afternoons, and the beach club opens straight onto the water. Stabilisers work both at anchor and underway, Starlink keeps everyone connected when they want to be, and a full outdoor sound system sets the mood as the light changes. A full selection of water toys is on board for every pace of the day.

ALE III is made for easy, sociable days that end with everyone around the same table.

TECHNICAL SPECIFICATIONS

LENGTH	38.22 mt
BEAM	7.98 mt
ENGINES	2 x MTU 2,400 HP 2 x Kohler Generators 70 kwh
CRUISING SPEED	15 knots
FUEL CONSUMPTION	250 Litres/Hr
CABINS	5 Double, 1 Twin
GUESTS	12 sleeping - 12 cruising
CREW	Captain + 5
TENDER + TOYS	- Williams Jet Tender 5,65 mt - 2 Seabob F9 - JetSki Seadoo GTX 325 HP (license required) - E-Foil - 2 SUP - Floating Pool anti Jellyfishes 4x4 mt - Floating Platform - Jobe towable wing - Snorkelling equipment
BASE PORT	Marina di Stabia (Naples) - Italy
