# Amigos

The 55m Amels yacht Amigos is an upgraded and voluminous take on the popular Amels 180 model, adding even more space for a luxury sunshine charter.

One of her best feature is undoubtedly her outstanding sundeck featuring a 4m counter-current pool, alfresco dining shaded by the superstructure, a large chic sunbathing area, plus an outdoor cinema.

Designed by the reputable Tim Heywood, Amigos' sleek exterior lines and 'castle tan'-coloured hull, give her a unique aesthetic that will ensure admiring glances in the marina and her tasteful interiors by Laura Sessa provide the perfect setting for a relaxing charter holiday.

Laura Sessa's subtle palette of creams and pale silvers in tactile fabrics create a spa-like sense of calm, and her main deck salon, with a cinema area forward, has large windows, plus balconies either side, to help bring the outside in.

Amigos yacht can accommodate 12 guests across six cabins, including a full-beam master suite with an unusual addition for a yacht in this class – access to the bridge deck aft, where there is a 180-degree private terrace.

The rest of the guest accommodation includes a VIP on the main deck forward with fold-down balcony, two doubles and two twins on the lower deck with two additional Pullman berths.

Another one of Amigos' key outdoor spaces is her large beach club, which comes with a steam room and easy access for trying out some of the numerous water toys.

There is also a chase tender and a gym.
