# Arbema

Designed by Nuvolari & Lenard, the 72m CRN yacht ARBEMA is offered for charter in excellent condition with some very appealing features.

In 2023, ARBEMA completed an extensive refit, which included a full paint job, technical upgrades and major interior refit. She has also benefited from brand new glass railings on her exterior decks, exuding a refined and contemporary aesthetic. Furthermore, her impressive beach club has been upgraded, providing an exquisite sun-soaked retreat for guests seeking relaxation.

Built with entertaining in mind, her grand main salon is a huge area that sets the scene for this elegant and opulent yacht.

She can accommodate twelve guests and two supernumeraries across eight cabins. On the main deck lies a full-beam master cabin with fold-down balcony, private TV room and massage room.

There is also a VIP cabin on the upper deck and two double cabins on the main deck.

The rest of the guest accommodation is situated on the lower deck and comprises of two double cabins along with two twin cabins (both with pullman).

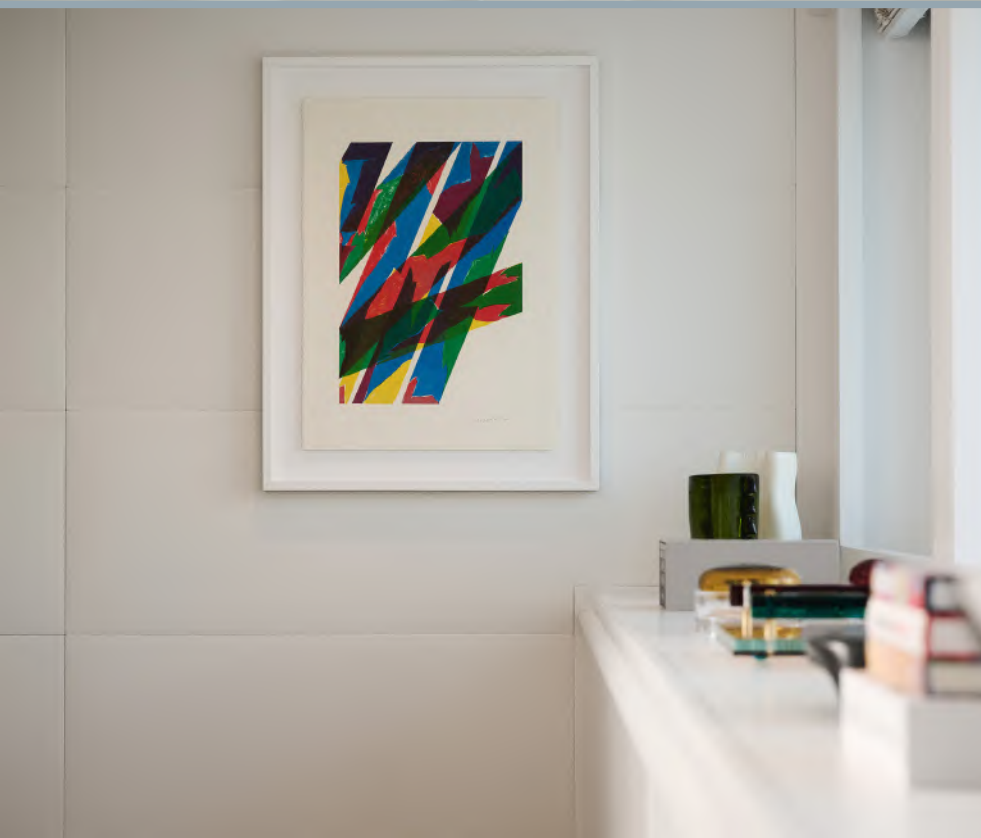

Thanks to her latest refit, her vast beach club is now complimented by an entirely new toy box that has been introduced, along with the addition a of a 48' ANVERA Chase boat, offering an unparalleled level of leisure and adventure for all onboard.
