ASMARA - Ferretti 860

ASMARA is a refined Ferretti Yachts 860 flybridge yacht that perfectly balances Italian style, comfort and performance. Built by the renowned Ferretti Yachts shipyard in Cattolica, she combines elegant design with advanced technology and thoughtfully designed spaces throughout.

Her striking profile is matched by generous outdoor areas and welcoming interiors created for relaxation and social living. Every detail has been conceived to enhance life on board, offering guests a sense of ease, space and well being while cruising.

With impressive performance, intelligent layouts and the unmistakable elegance of Italian craftsmanship, ASMARA delivers a sophisticated and enjoyable yachting experience.

Asmara
