

Bina

Custom motor yacht BINA, built by Mondomarine, boasts stylish and contemporary living spaces combined with impressive leisure and entertainment facilities, creating a perfect environment for socialising and entertaining with friends and family.

BINA features an expansive sundeck complete with a Jacuzzi that is circled by sun pads, sun loungers, a bar and dining area, creating an idyllic setting for charters. Her exteriors offer more than simply a place to relax, they provide a space to celebrate and create lasting memories with loved ones.

After days soaking up the sun, guests can retire to one of six lavish cabins. She has accommodation for up to 12 guests, including a full-beam Master, a newly appointed VIP cabin on the main deck, two full-beam VIP cabins and two twin cabins with Pullman berths.
