

AZIMUT MAGELLANO 66

BOLLINGER

CHARTER

## Superyacht Luxury in a 20-Metre Yacht

M/Y BOLLINGER is a compact, elegant 66' Azimut Magellano yacht packed with all the superyacht luxuries. BOLLINGER offers the features of a much larger yacht, including a spacious four-cabin layout, an oversize flybridge, and a deck Jacuzzi—the only Jacuzzi on a yacht of this size. This yacht is one that feels (and functions) like a much larger yacht, creating an abundance of room for her eight guests to sleep, relax, and party as they island-hop through Croatia.

The main deck is dedicated to an open-plan salon and dining area. A private staircase leads down from the salon to the deceptively roomy accommodation deck, where you'll find a stunning full-beam master stateroom amidships., a VIP stateroom and 2 Twin cabins. Eight guests are superbly accommodated on this level. There is a merry abundance of places for guests to relax and dine outside including the aft deck dining area, lounge area on the bow and stunning flybridge where BOLLINGER really shows off.

BOLLINGER is the ideal vessel for a Croatia yacht charter, promising as it does the speed and accessibility of a small yacht, but the cruising stability and special features of a superyacht. She runs with two crew: a captain and cook/stew, and is available for charter in Croatia and Montenegro from her homeport of Tribunj, a 1-hour drive from Split Airport.
