Guests may choose to motor using main engines up to 17kts, fuel use would then be charged to the Charterer.

Summer 2025

Location: Mediterranean (Eastern) Mediterranean (Western)

ABOUT BLACK PEARL

Finally unveiled in all her glory

Delivered in 2018, S/Y Black Pearl built by Oceanco, became the largest, most iconic and game changing sailing yacht in the world. Her Owners vision was revolutionary, she is a yacht you could evaluate for years from her design to her ground breaking technology.

With a length of 105m and a vast 15m wide beam, this unmistakable vessel is the product of a visionary cross-industry collaboration between some of international yachting's greatest designers and creative minds, Ken Freivokh Design, Nuvolari Lenard and Gerard P. Villate, just to name a few.

AWARDS

“Best Technical Achievements overall” - 2019 Boat International Design & Innovation Awards “**Winner of 2019 Sailing Yachts 60m and above**” - 2019 World Superyacht Awards

KEY FEATURES

SAILS

3 iconic and striking 70.60m DynaRig carbon masts with 2,934 sq meters of sail area unfurled in under 7 minutes.

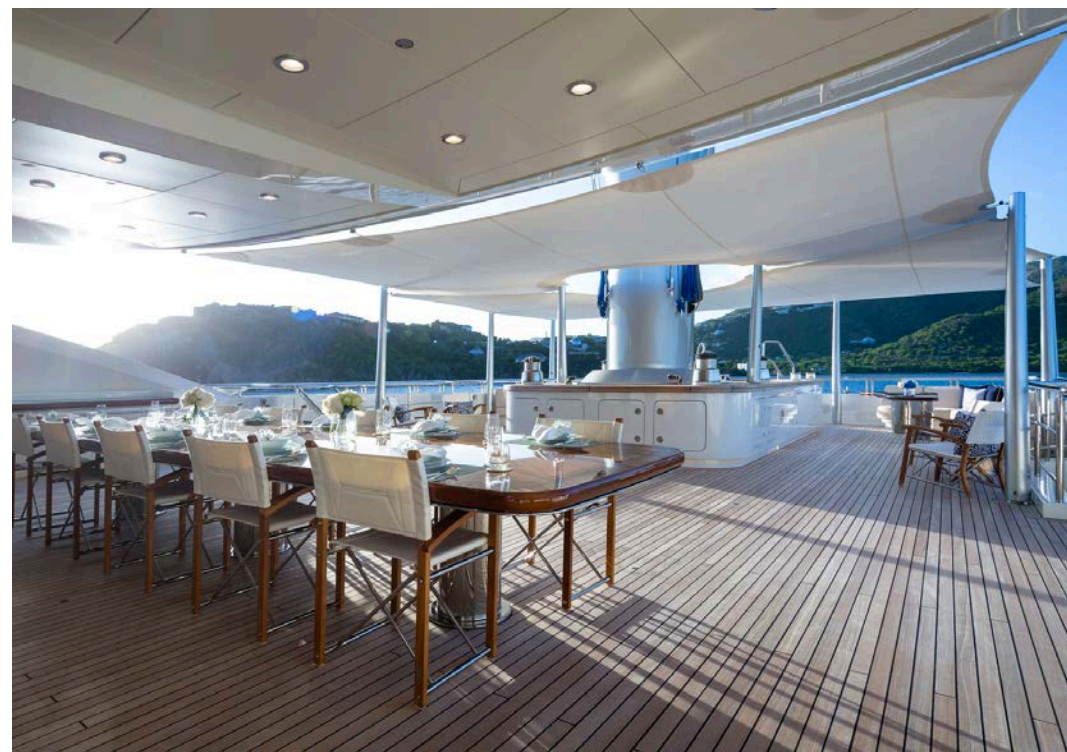

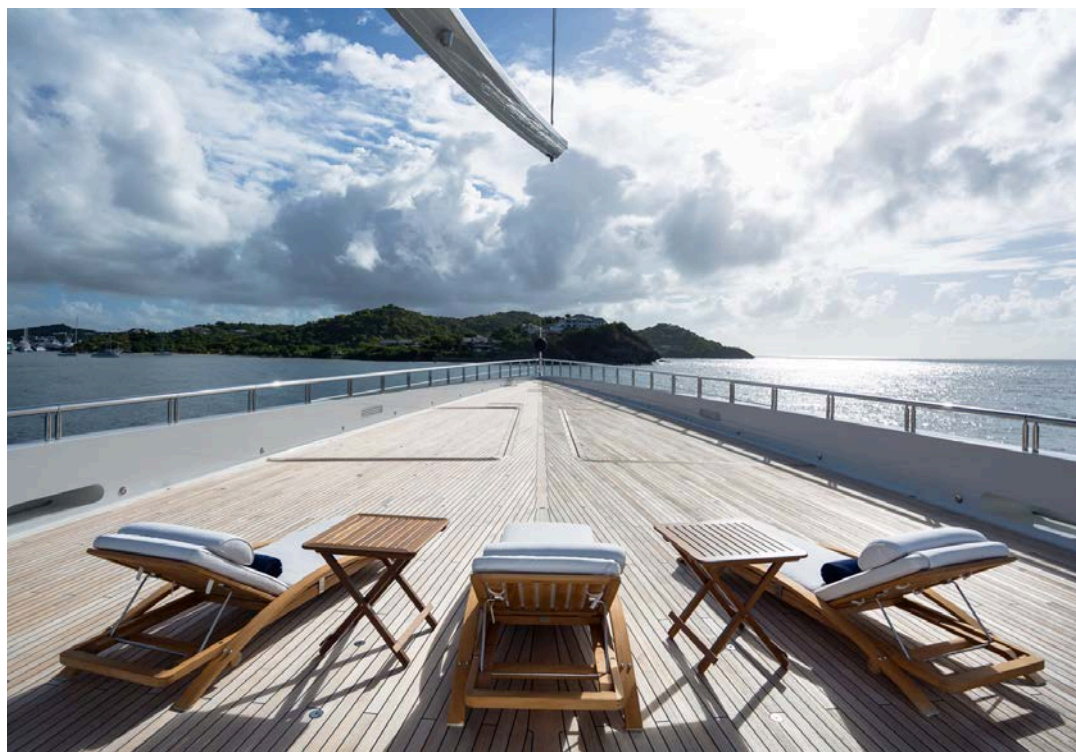

WELLNESS

Sauna, Massage Room, Gym, Hammam, Beach Club which converts to a Night Lounge.

UPPER DECK CINEMA EXPERIENCE

Largest exterior cinema screen on the mizzen mast of 9m x 14m.

FLY BRIDGE DECK

An unrivaled adventure awaits you

It's not just the award winning aesthetics that set her apart from others, but also her utilization of the very latest green technology which renders her capable of crossing the Atlantic without using any fossil fuels.

Seating and sunbathing areas across the large Fly Bridge Deck area mean guests can watch her world class sails unfurl at the touch of a button first hand.

With the Captain and Deck Crew close by, why not learn to sail her?

UPPER DECK INTERIOR

Wrap you senses in classical comfort

Her interior has always remained a closely guarded secret and so now, as we open her up to the charter market, we welcome guests to experience designs laced with neoclassical touches, ornate wooden details, gold accents and sumptuous fabrics, a tribute to the design of Louis XVI.

With a wealth of recreational spaces spread across all three decks, you can wander through at leisure with bespoke silk carpets underfoot, each space on this magnificent vessel invoking a sense of relaxation and comfort.

UPPER DECK EXTERIOR

Tranquillity above the waves

A calming exterior area for private dining virtually any time of the day. With easy access to the upper deck saloon or jacuzzi. A wonderful space for all guests to enjoy in multiple ways for any type of charter.

MAIN DECK INTERIOR

Seamless Elegance

Dining on-board can be enjoyed in a variety of spaces depending on the time of day and where the mood takes you.

Surrounded by ambient tones of rich mahogany, guests can have an evening in the formal dining room where the grandeur design of this full beam space accommodates 18 guests comfortably with shell doors opening as balconies for an ocean sunset view.

Other features of note include an enclosed wine cellar from which to choose your liquid compliment to the delightful creations delivered from the galley.

MAIN DECK EXTERIOR

Transformations for every occasion

Relax by the jet stream pool with your book in the daytime sun. Tables rise and fall to allow for a casual or more formal dining experience for up to 6 guests on each side of the deck.

The pool floor then lifts to create an open space for dancing with the onboard sound system playing your favourite evening music after dark. There is also direct access from this level to the Night Lounge.

LOWER DECK, VVIP CABIN

Dream on the seas

When it's time to retreat to bed, the full-beam Stateroom awaits. With its king size bed, a cosy lounge leading onto your own private balcony. Perfect for those early sunrises and sunsets.

As a principal guest you may be tempted to make a choice between the two private VIP Suites.

LOWER DECK, GUEST CABINS

Dream on the seas

There are two more spacious cabins for guests to feel at home, both with en-suites and plenty of wardrobe space.

Black Pearl is designed with truly flexible accommodation, which is great news for all kinds of charter parties and guests. She accommodates 10-14 guests.

LOWER DECK, LOUNGE & SPA

Pamper and dream below the stars

Retreat to the wellness area for an afternoon massage before enjoying cocktails prior to dinner. With her own sky full of stars the Wellness Spa which also doubles as her Night Lounge has a star studded ceiling, a replica of the constellations above Rotterdam from the evening of her launch in 2018.

For the most spectacular view of their own evening night sky, guests can move their cinema experience to the upper deck where Black Pearl has the largest exterior cinema screen on a sailing yacht mizzen mast of 9x14m.

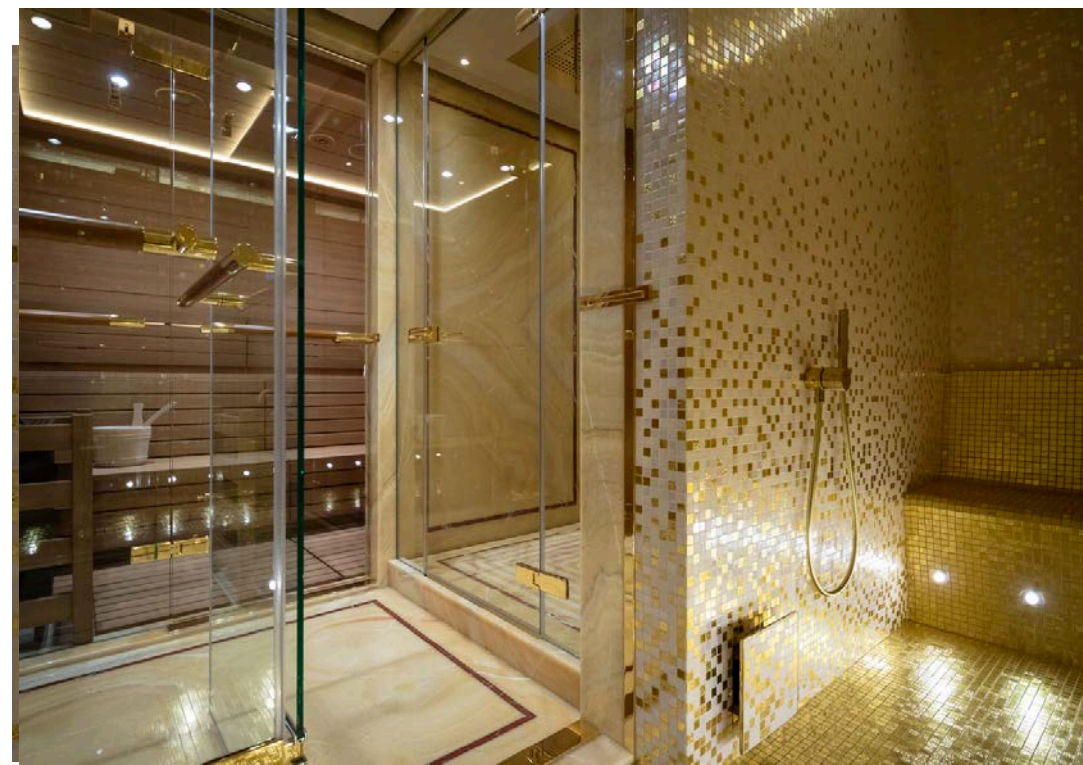

LOWER DECK, LOUNGE & SPA

Pamper and dream below the stars

Retreat to the wellness area for an afternoon massage before enjoying cocktails prior to dinner.

With her own sky full of stars the Wellness Spa which also doubles as her Night Lounge has a star studded ceiling, a replica of the constellations above Rotterdam from the evening of her launch in 2018.

For the most spectacular view of their own evening night sky, guests can move their cinema experience to the upper deck where Black Pearl has the largest exterior cinema screen on a sailing yacht mizzen mast of 9x14m.

WATER SPORTS

Make the ocean your playground

A sizeable tender garage secretly located under the foredeck houses twin custom tenders, including a very special 10m Pascoe limo and a 9m Beachlander tender.

Guests can indulge in all the toys on board for an afternoon of fun on the water.

EXPERIENCE

Ability to travel without using fossil fuel whether it is day trip or across the Atlantic ocean. Awarded the most eco-friendly yacht award at the World Superyacht Awards. This stunning tri-deck eco sailing superyacht is brand new to the charter market.

Black Pearl features 3 awe-inspiring 70m Dynarig carbon masts which allow her to reach speeds in excess of 20knots under sail and to complete a transatlantic crossing with zero fossil fuel emissions.

She is a true sailing yacht with a maximum sailing speed to date of 24.5knots.

THE CREW

An unmatched passion for sailing and adventure

With over 500,000 nautical miles of global sailing experience, our two Captains lead a dedicated crew with decades of expertise.

As passionate sailors and professional superyacht crew, the team aboard Black Pearl delivers unmatched expertise and inspiring stories on every charter.

Our crew of 26 is dedicated to creating an unforgettable experience.
