RARE VOLUME, GRACE & CAPABILITY

Built by pedigree Feadship, OLYMPUS remains one of the most accomplished yachts ever delivered by the Dutch yard. At 55 metres with an exceptional 881 GT, she offers the volume and amenities typically found on much larger yachts. Her extraordinary size allows for expansive deck spaces, generous interior salons, and a level of versatility rarely seen in this class.

Launched in 1996, OLYMPUS was fully refitted in 2023, including a \$10 million structural and technical upgrade, a full hull repaint, and upgraded zero-speed stabilisers. These improvements ensure she combines her classic pedigree build with modern levels of comfort, safety, and reliability.

OLYMPUS' interior is a celebration of colour, craftsmanship, and artistic flair. Original works selected by Andrew Winch draw inspiration from Matisse and other modernist artists, creating a décor that feels vibrant yet timeless.

Accommodation aboard is exceptional for a yacht of this size. OLYMPUS features eight cabins, allowing flexible arrangements for up to 12 guests. The forward-facing main deck master cabin enjoys panoramic 180-degree views and includes a private study, hair salon, walk-in wardrobe, and his-and-hers bathrooms with a shared whirlpool bath. A private staircase connects directly to the lower deck, making it ideal for families.

FOR CHARTER

OLYMPUS

The VIP cabin, located on the upper deck, can function as a completely private VIP apartment or second master cabin, with the bridge deck lounge and aft deck able to be closed off for exclusive use. The lower deck houses six additional guest cabins: two doubles, two twins with Pullman berths, and two single cabins, ideal for children, staff, or nannies. Guests are attended by a highly professional crew of 16, and an elevator serves all decks, including the sundeck.

The exterior is sleek and timeless, with smooth lines complemented by bold square windows that provide a striking modern touch. OLYMPUS boasts a variety of outdoor spaces, from the sundeck, complete with an ornate bar, outdoor TV, Jacuzzi, and multiple seating areas, to alfresco dining on the main deck aft and a swimming platform below, home to her extensive array of water toys.

With tenders launched, the aft section of the sundeck transforms into a gym or open-air cinema — an extraordinary multi-purpose space equally suited to energetic days or relaxed evenings under the stars. For quieter moments, the upper and main deck exterior areas offer private dining and lounging away from the main social flow. More formal occasions are equally well catered for, with indoor and outdoor dining for up to 12 guests.

Twin staircases lead down to the integral swim platform, complete with removable stainless-steel handrails, swim ladder, and freshwater shower. Water toys include 1 x Sea-Doo GTX LTD 300, 2 x inflatable paddleboards, 1 x wakeboard/mono ski, scuba equipment with Bauer compressor, inflatables, and fishing gear, ensuring endless enjoyment at anchor. For smooth transport ashore, OLYMPUS offers a 5.8m RIB Tender and a 14.6m chase boat with a captain.

SPECIFICATIONS

LENGTH _____ 55.00 M

BEAM _____ 10.00 M
