RAPH SEVEN II

LUXURIOUS

RAPH SEVEN II, a 30-meter (98-foot) yacht, was conceived by the Riva family with the intention of creating a flybridge yacht that encompasses all the remarkable qualities of a maxiyacht while remaining just under the 30-meter length limit.

Riva has achieved tremendous success in fulfilling this vision, as no aspect of the yacht has been compromised.

Every area on board the Corsaro RAPH SEVEN II is meticulously designed and crafted to provide an exceptional yachting experience, surpassing expectations in every way.

RAPH SEVEN II

PERFORMANCE & RANGE

Built with a GRP hull and GRP superstructure, she has impressive speed and great efficiency thanks to her planing hull.

Powered by twin MTU engines, she comfortably cruises at 22 knots, reaches a maximum speed of 28 knots with a range of up to 320 nautical miles from her 9,000 litre fuel tanks at 24 knots.

ONBOARD COMFORT & ENTERTAINMENT

RAPH SEVEN II benefits from some excellent features to improve your charter, notably the underwater lights, adding spectacle and style after dark. Whether you want to work, use social media or stream movies on board this yacht, you can with Wi-Fi connectivity or elsewhere, guests will experience complete comfort while chartering thanks to air conditioning.

The yacht not only embodies the distinctive Riva style but also stands out for its impressive range of amenities and remarkably spacious living areas, surpassing expectations for a yacht of its size.

GUEST ACCOMMODATION
