

GOLDENEYE

54M (177'1") | OVERMARINE GROUP SPA | 2020

BUILT TO CRUISE AROUND THE GLOBE

GOLDENEYE is a sleek and aggressively sporty Mangusta GranSport 54, measuring 54m in length overall. This all-aluminium superyacht is the perfect fusion of high performance and long-range cruising ability, able to voyage over extended distances quickly and comfortably. The Mangusta GranSport 54 is the flagship of the yard's range, and GOLDENEYE combines seakeeping excellence with comfort and autonomy. Her racy profile, designed by Alberto Mancini/Overmaine Group, reflects her sporty personality and her smart interior and exterior layout determines both the comfort of those on board and the efficient operation of the vessel.

WELCOME ON BOARD

GOLDENEYE brings you closer to the ocean and sea-breeze with spacious decks and balconies extending from the cabins. The exterior spaces include a sun deck with sheltered al fresco dining space, a bar and large cushioned sun pads, an expansive lounge area on the main aft deck, and her foredeck boasts an impressive infinity pool with a glass floor that fills the owner's suite below with natural light. GOLDENEYE's beach club is another noteworthy feature of this modern and dynamic superyacht. With the transom door lowered, a large swim platform is created and this reveals a beautifully designed beach club lounge with an additional balcony platform on the starboard side.

INTERIORS

GoldenEye's modern interior design is styled by Alberto Mancini, featuring light and airy spaces characterized by clean lines and a neutral color palette. The interior is finished with glossy dark wood paneling and large tinted windows, which fill the yacht with natural light and create a connection between the interior and exterior living spaces.
