# ELEGANCE & PERFORMANCE

---

Benetti's 6th hull from the sought-after Fast 125 series, CHARADE, promises a tranquil, smooth passage from location to location, with no compromise on speed. With stabilisers both at zero-speed and underway, powerful twin MTU engines and an ability to cruise between 16 and 24 knots.

CHARADE's stand-out contemporary interiors were lovingly crafted by British studio, RWD. Emphasis was placed on creating a serene, yet lush and light interior feel. Very much a calm haven that in no way takes away from her sporty and sharp exterior coined by Stefano Righini.

CHARADE invites you to bask in the inviting embrace of abundant natural light that streams through the expansive floor-to-ceiling windows, enveloping the yacht's main living spaces. Meticulous attention to lighting during the design phase has resulted in the use of elegant slim light panels throughout the yacht's interior. Moreover, the exterior RGB lighting system awaits your command, ready to cast the yacht in a captivating array of colours, setting the perfect mood for your journey.

At the heart of the main salon is a seating area composed of plush, off-white sofas and armchairs, all of which are adorned with decorative cushions that introduce accents of navy blue, complementing the maritime surroundings. The upholstery is of a high-quality textured fabric, chosen for both comfort and durability. A sleek, white lacquer coffee table sits at the centre, reflective and modern, contributing to the interior's luminous feel.

CHARADE

For those who appreciate dining and relaxation with breathtaking views, the yacht boasts multiple alfresco dining and lounge areas. The main salon offers a sheltered interior dining table for up to 10 guests, whilst upper deck aft you can find a large round table, which can be serviced by an exterior counter, sink and fridge. Finally, her sundeck welcomes a much more laid-back opportunity with plush duck-egg blue sofas and expandable tables.

CHARADE offers comfortable accommodation for up to 10 guests across five beautifully appointed cabins. The highlight is the expansive full-beam owner's suite, featuring a generous walk-in wardrobe, and a bathroom featuring both his and her sinks. Below deck, you'll discover two elegant VIP double cabins and two charming twin cabins, which can be converted into doubles, ensuring a restful and enjoyable stay for all. All cabins continue the interior selection of soft blue and violet tones, against a base of ecru and beige which means the lower deck feels just as light and airy as the upper decks. Each bathroom offers Molton Brown toiletries.

For those looking for a dip in the ocean, CHARADE offers a convenient fold-down transom, which transforms into an open-air beach club, creating a seamless connection between guests and the water. Alternatively, guests are welcome to use the Jacuzzi on the foredeck, making an excellent use of space on the bow, typically unused in other models of the Fast 125 series.

CHARADE is perfectly positioned to cruise the Western Mediterranean at leisure, be it the azure waters of Capri or the glamorously vibrant Saint Tropez.

“My client had a wonderful time and is considering booking next season in the Med, so that’s great news, he said. It was one of the best boats and the best crew he’s been on, and we’ve done over 12 charters together over the years, so that’s a huge compliment to the team.”

“Yes, I can confirm that they have a great crew on board. Captain Jade and I have worked together previously, and I highly recommend him. One of the reasons I booked him and his crew on this vessel. The client loved it and thought it was one of their best charters yet!”
