

E-BROCHURE

Christina G

Built by Kingship in 2010, CHRISTINA G offers fantastic volume for a yacht of her size. Her interior is chic and minimalistic styled with exotic materials and textures, which create the perfect environment for entertaining. Fitted with the latest modern technology, her saloon features a 60-inch flat screen television with Sky TV.

Her crew is highly professional and ready to go the extra mile to exceed their guests expectations. Charters from the past two summer seasons only show glowing references.

Her contemporary interior has bespoke furniture throughout and accommodates up to 10 guests in sublime comfort.

Her full-beam master suite has a palatial en suite bathroom. Her guest cabins offer two double and two twin layouts with two pullman berths in addition.

The option for al fresco dining is available on both her main and upper decks, whilst the sundeck's Jacuzzi and sun loungers are perfect for unwinding and enjoying spectacular views.

She has Quantum Zero speed stabilizers and is exceptionally economical burning only 85lph at cruising speed.
