Experience luxury aboard the "DANIDA'" Sanlorenzo SX88. The revolutionary design of the SX88 features wide open spaces and large glass windows, creating a seamless connection between the interior and exterior, catering to the most discerning clients. The high, seaworthy bow gracefully slopes toward the stern, streamlining the yacht's profile while ensuring exceptional all-weather performance.

The main deck's fore area is equipped with a sofa, a coffee table, and an extended sunbathing surface, providing a relaxing and functional living space.

The stern area is equally impressive, boasting a "beach club" space that is five steps below the main deck. This 30 sq. m area is shaded by parasols and furnished to perfection, offering a luxurious spot to enjoy life at the water's edge. It also provides ample room for a variety of water toys, enhancing your on-water experience.

Below deck, the Sanlorenzo SX88 offers luxurious accommodations with four cabins: a Master cabin, a VIP cabin, and two Twin cabins, ensuring comfort for all guests.

DANIDA' is also serviced by a dedicated crew of four, ensuring an exceptional onboard experience.
