Combining timeless Italian style with impressive performance, she cruises comfortably at 28 knots and reaches 34 knots, making island hopping along the Croatian coast quick and enjoyable. Her shallow draft allows access to secluded bays and coastal towns.

Designed for relaxed living, Dominique features inviting indoor and outdoor spaces, including three dining areas, a spacious flybridge with wet bar and sunpads, shaded aft deck, foredeck for sunbathing, and a wide swim platform for water activities. She accommodates eight guests in four air-conditioned cabins: a full-beam Master, a forward VIP, and two twin cabins—perfect for families or groups of friends.
