No expense has been spared in the yacht's conception. The living areas are light and sophisticated, with tactile textures throughout which create an understated, timeless aesthetic.

# TIMELESS STYLE

The main salon is an open space with inviting sofas and huge windows framing the views beyond in addition to a large dining table. The sky lounge is a more informal space, for relaxing and games. The spa, unusual for a yacht of this size, is a sanctuary of indulgence and relaxation decorated with Carrara marble and features a rainfall shower.
