EXPERT'S VIEW

"FALCO MOSCATA is probably the most elegant and advanced exploration yacht of her generation. With clever use of space, and a distinctive & efficient shape for low fuel consumption. Following an interior and exterior refresh of all upholstery fabrics and artwork, she is ready to welcome guests in a contemporary style. To ensure a truly complete & unforgettable experience on board, she also offers a wide selection of watertoys including jet-skis, e-foils, sea bobs, and many more, as well as a large Jacuzzi pool on the bridge deck surrounded by ample sun lounging space and a versatile 65m² shaded foredeck."
