The interiors blend calm elegance with bold design. Generous windows invite natural light into every corner, framing ever-changing views of the ocean beyond. The palette is soft and welcoming; the furnishings are sleek yet comfortable.

PENTHOUSE ON THE WATER

From the main salon to the upper lounge, every space flows effortlessly. Dining areas become social hubs, while the bridge deck lounge doubles as a cinematic retreat. The result is a space that feels less like a yacht, and more like a floating penthouse.

Accommodating up to 10 guests in five luxurious cabins, Fifty ensures privacy, space, and exceptional comfort for all on board. At the heart of the yacht lies the full-beam principal suite; a true retreat with panoramic views, an adjoining private gym, a dedicated office, and a marble-finished en suite.

SPACE & RELAXATION

Each guest cabin is designed with equal attention to detail, offering hotel-level finishes and intuitive layouts. Whether you're unwinding after a day on the water or retreating for a peaceful night's sleep, every detail has been considered to deliver the ultimate in relaxation.
