MAIORA

GEMINI 3 was built in 2002 and recently refitted. She has been fully repainted and equipped with a completely new interior design. An important innovation has been the installation of gyroscopic stabilizer.

Her large and contemporary outdoor living areas makes GEMINI 3 instantly recognisable as part of the Maiora range. The aft deck boasts a bespoke dining table that seats 8 + 2 guests, the flybridge features a dining area and a variety of options for lounging out of the sun.

GEMINI 3 can accommodate up to 10 guests in 4 cabins, of which 1 Master with king size bed based aft, 1 VIP with Queen size bed based forward and 2 Twin cabins with a pullman bed each (suitable for kids) based amidships. All cabins are air conditioned, with en-suite facilities and Smart TV. Comfort onboard is ensured thanks to stabilizers that reduce any rolling motion underway or at anchor.

The crew is composed of 4 young and determined members that will go the extra mile to make guests feel at ease.

| TECHNICAL SPECIFICATIONS |                                                                                                                                                                      |
