

E-BROCHURE

Grace

The 52.30m Amels motor yacht GRACE comes with a large interior volume of 642GT, providing lots of space for socialising and unwinding.

Guests could happily relax on the main deck aft for much of the day or head inside to the smart main salon for a cooling drink or relax on the huge L-shaped sofa.

GRACE can accommodate 12 guests across six cabins, including a full-beam main deck master suite, with an office and dressing room. A second main deck double cabin means this area is ideal for a family who wants a little bit of privacy.

The rest of the guest accommodation is on the lower deck and comprises two doubles to starboard and two twin cabins to port. The aft cabins interconnect, making this yacht suitable for two families who wish to travel together.

On deck, there are lots of options for some fun in the sun. The obvious spot is the sun deck, with its Jacuzzi fanned with sunpads, its glamorous sit-up bar and inviting daybeds.

The fore deck offers an alternative sunbathing area, with two grey double sunpads, plus an observation settee. There is also more alfresco dining on the upper deck aft.
