ABOUT GREY

Launched in 2023 by Tankoa, GREY has a distinctive sleek shape, with a “whisper grey” hull and a “jet black” superstructure designed by Francesco Paszkowski and a chic interior by Cassetta Yacht Designers. She enjoys impressive speed and seaworthiness, whilst her low draft allows her to access shallow areas and cruise close to shorelines.

GREY has expansive interior spaces and focuses on delivering the ultimate in comfort and entertainment for her guests, from spacious staterooms with large beds, extra soft sun loungers to the very latest in entertainment screen technology. On her foredeck, GREY displays a show-stopping Cseed foldable external 144” Cinema TV, where you can have a truly cinematic experience whilst relaxing in the Jacuzzi. There is also an LG 65” signature rollable TV in the upper lounge and a 55” screen in the Master stateroom.

With a pool forward and a large Jacuzzi on the sundeck, Grey offers guests a choice of five outdoor spaces, spread over 300 square metres of deck, to dine or relax on.

Up to 12 guests can be accommodated in 6 spacious and modern staterooms, each with ensuite. The magnificent, full beam master stateroom features an emperor sized bed (200 x 200 cm), ensuite bathroom, walk in closet, office space and two fold-out verandas opening up on either side of the boat allowing you to watch the sunset wherever you anchor. A large VIP stateroom can also be found on the main deck, whilst 2 further doubles and 2 twin/double convertible staterooms, all with their own 43” TVs and ensuites are located on the lower deck. The latest in Starlink and 5G means guests will have access to great WiFi and media throughout.

KEY FEATURES

- 2 x on deck jacuzzis: an open air jacuzzi on the foredeck for 8 guests and a shaded bubble spa on the flydeck
- Magnificent, full beam master stateroom with emperor sized bed (200 x 200 cm), office space and two fold-out verandas
- Cseed foldable external TV 144” on the foredeck in front of jacuzzi offering cinematic experience
- LG 65” signature rollable TV in upper lounge
- Latest Starlink satellite system and 5G system onboard, allowing for superb WiFi internet and media
- Launched in 2023 she has impressive speed, seaworthiness and her low draft allows her to access shallow areas and to cruise closer to shorelines
