

JUNIOR

ABOUT JUNIOR

Striking the perfect balance between style and performance, Junior is a sleek and modern Sunseeker 88 that turns heads in every marina. With her bold lines, retractable hardtop roof, and spacious decks, she is purpose-built for both vibrant entertaining and tranquil relaxation. Whether you're sipping cocktails on the flybridge, lounging by the water's edge at the Beach Club, or enjoying the breeze on the foredeck, Junior offers an exceptional outdoor lifestyle at sea.

Inside, her open-plan salon welcomes guests into a refined and serene environment, where contemporary design meets timeless elegance. Accommodating up to eight guests in four luxurious en-suite cabins—including a spectacular full-beam master suite—Junior offers superb comfort for families and friends alike.

Supported by a professional crew of four and equipped with advanced stabilizers for smooth cruising, Junior delivers effortless luxury and a truly unforgettable charter experience.
