Lady S

Delivered in 2019, the extraordinary LADY S unveils a grand presence, generous spacing and top-class luxury amenities. She offers more space, more style and more zing in the magic that creates mystique. From the contemporary crystal chandeliers and the 180-degree window views, to the plunge pool and the outdoor fire pits, LADY S brings every feature imaginable together in a yacht that is simply astonishing.

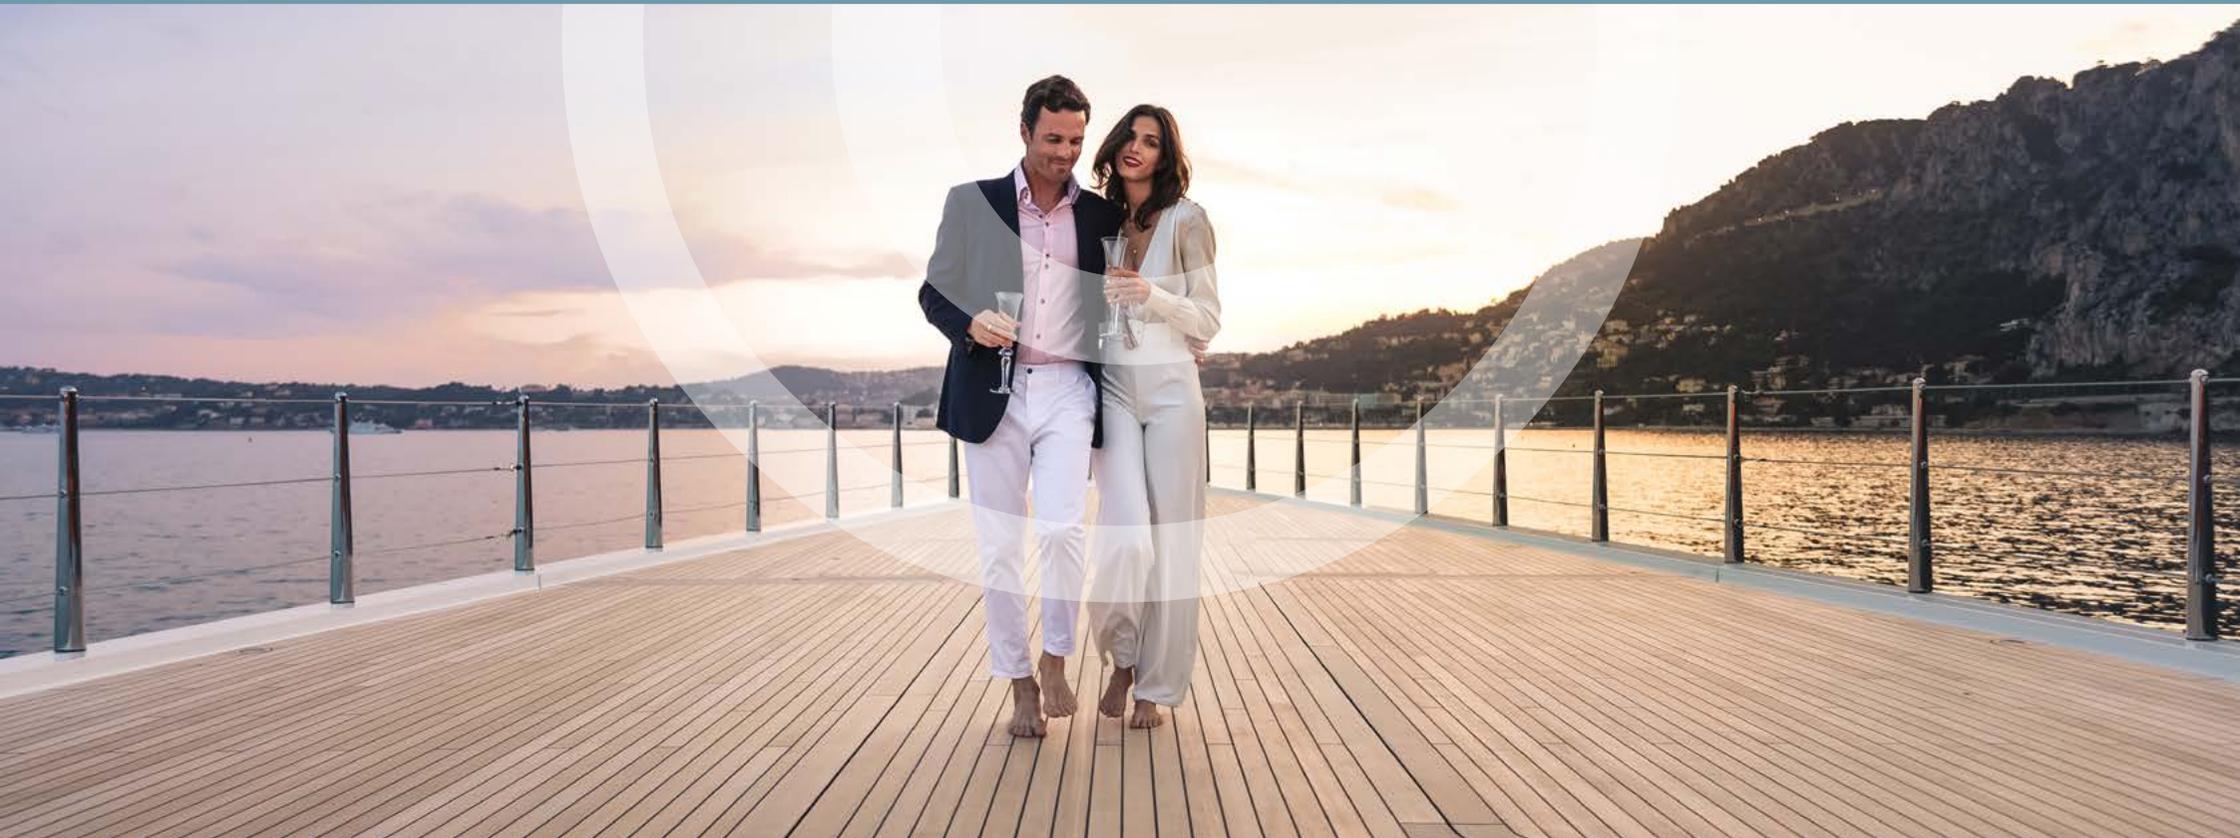

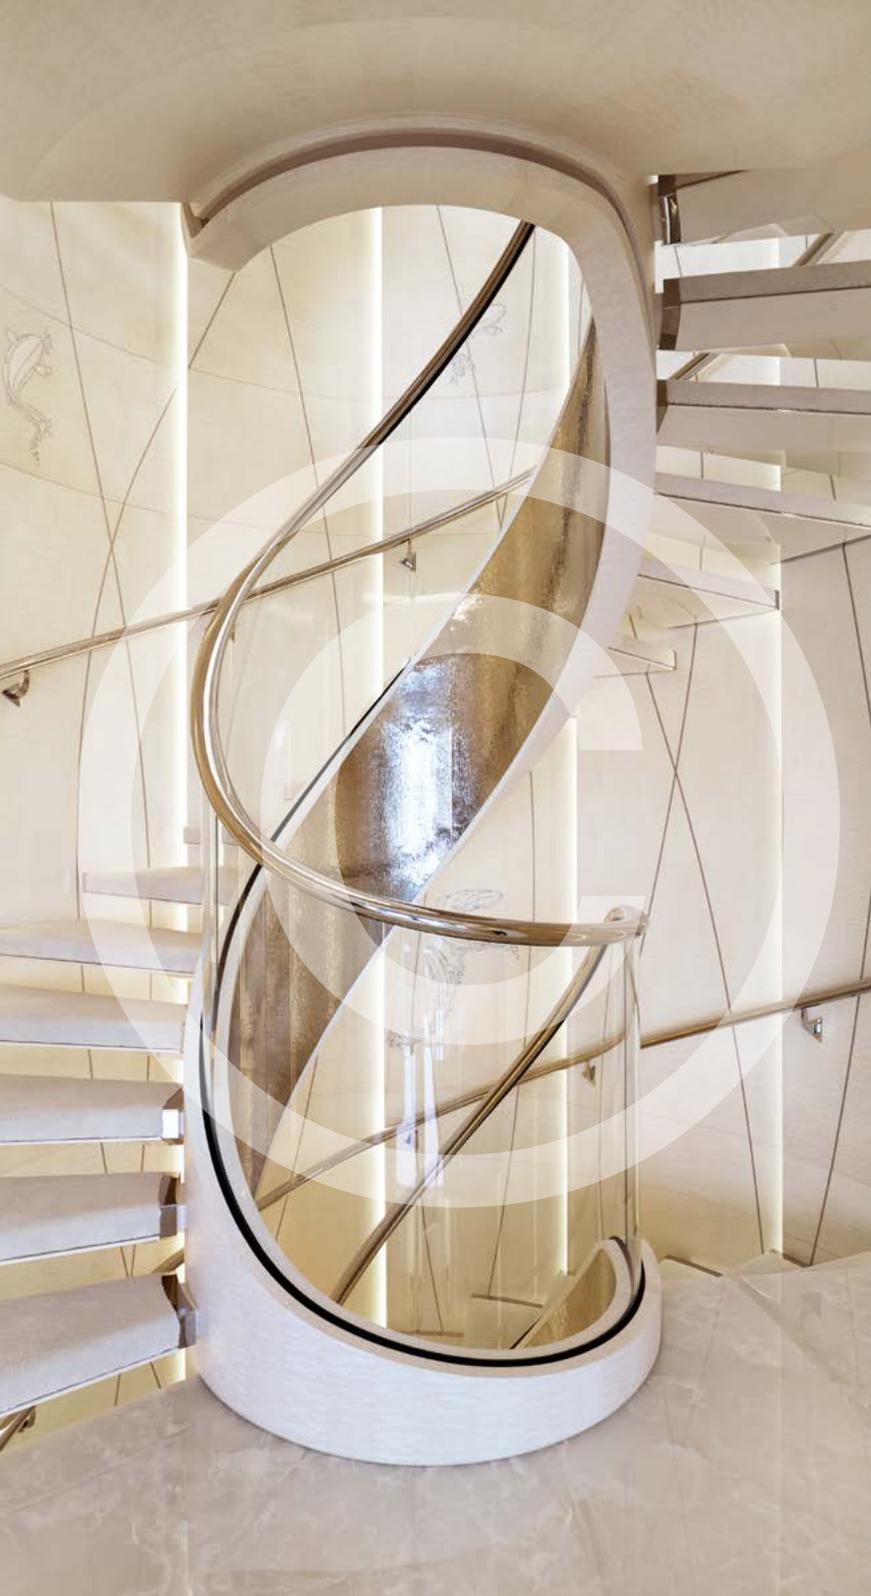

LADY S' sumptuous interior has been designed to comfortably accommodate up to 12 guests in 7 cabins, including a master suite, 2 VIP staterooms, 2 doubles and 2 twins along with a crew of 31 to ensure an experience like no other. Reymond Langton Design has used rare materials sourced from around the globe to furnish the interior of LADY S. The unique, customised design concept was influenced by a 'contemporary jewellery box'.
