MOTOR YACHT PRINCESS 82 - LARIMAR II

The Larimar II, Princess 82 Motor Yacht is both graceful and exhilarating. Her extended window line brings exceptional visibility from the main deck. The vast flybridge spoils guests with soft sun pads, a hot tub, a teak dining table, intimate seating and a dedicated wet bar. Her deep-V hull comfortably takes you across the waves with speeds up to an impressive 34 knots.

Inside, there is an abundance of light and space, with broad windows that stretch alongside the entire length of the main deck saloon. The comfortable seating gives a homely ambience, with a spacious formal dining area forward. And when it's time to retire for the evening, a full-beam master cabin with a large en suite and a walk-in wardrobe awaits you. For your guests there are four beautifully-appointed en suite cabins. Larimar II is one of the youngest luxury motor yachts available for Adriatic cruising, with 2018 as her maiden season in charter. Her features, her equipment and experienced crew are a guarantee for rewarding and unique yachting experience.
