

LASATA

E-BROCHURE

Following a 2026 interior refresh, the 66m Rossinavi LASATA brings a distinctly contemporary character to life at sea. Delivered in 2023, she pairs Enrico Gobbi interiors with expansive exterior living and a strong focus on wellbeing. Across three light-filled decks, 12 guests are accommodated in six cabins, with a dedicated wellness area, beach club, jacuzzi and generous spaces for dining and entertaining, both indoors and out.

Enrico Gobbi's minimalist interiors give LASATA a calm and contemporary character. A restrained palette, clean architectural lines and carefully curated artworks bring warmth and individuality, while expansive glazing draws natural light deep into the interior and frames ever-changing views of the surroundings.

The upper salon provides a relaxed setting for drinks and evenings together, while the main salon offers an elegant space for more formal dining, complemented by a wine cellar holding around 230 bottles. On the lower deck, LASATA has a dedicated wellness area with a sauna, massage room and fold-out balcony for direct access to the sea. A fully equipped gym and personal trainer are also available throughout the charter.

LASATA accommodates 12 guests across six beautifully appointed cabins. The full-beam Master suite occupies a prime position on the main deck, with a private office, walk-in wardrobe and generous ensuite with bathtub and separate shower. Two further doubles are also located on the main deck, while the lower deck offers a double and convertible twin, with an additional double cabin on the bridge deck.

LASATA's expansive sun deck is made for long days outside, with a forward jacuzzi, generous sunpads aft and a pizza oven and barbecue for relaxed alfresco dining. As evening falls, the upper terrace offers a more intimate setting for dinner, while at water level the beach club and drop-down swim platform create a seamless connection to the sea, with an extensive collection of water toys ready for days at anchor.

Days on the water are a major part of the charter experience on LASATA, with an extensive collection of toys for every pace. As an approved RYA watersports centre, she offers Seabobs, stand-up jet skis, eFoil, paddleboards, wakeboards, a waterslide, inflatable pool and snorkelling and diving gear, alongside a golf setup. A 2026 Wajer 55 HT chase boat and two Castoldi jet tenders provide stylish, comfortable transfers.

SPECIFICATIONS.

MAIN CHARACTERISTICS

Builder: Rossinavi

LOA: 65.70m

Crew: 18

Built: 2023/2026

Accommodation: 12 Guests in 6 Cabins
