### **THE SALOON AND DINING AREA**

The elegant and inviting interior design of MY Latitude features tained oak floors and white leather and stingray leather in the public spaces. The lounge on the main deck features an unconventional arrangement, as the lounging area is located forward while the dining area is located aft near the sliding doors. The much sought-after effect of indoor-outdoor living is achieved through the use of fully-opening four-bladed sliding doors.

### **VIP AND GUEST STATEROOMS**

Two full-beam VIP cabins are located on the lower deck, along with two twin guest cabins. Triple large portholes in the VIP cabins allow in a lot of natural light and present an excellent view. Another noteworthy feature is the abundance of closet space in the guest areas. The bathrooms in the VIP cabins can be closed off from the cabins with sliding doors, which are completely invisible when they are opened entirely.

### **DECKS AND OUTDOOR SPACES**

The aft deck on the main deck is an elegant gathering place, where the minimalism of the exterior furniture from Paola Lenti provides a nice contrast to the organic forms of the woven Canasta chairs from B&B Italia. The sundeck is the ultimate relaxation and party spot. An audio connection to the entertainment system and a removable DJ pedestal are provided for festive occasions. The large sunpad on the aft can be shaded with a retractable sunscreen.
