Liv Love

Delivered in 2025 by Benetti, LIV LOVE is a striking expression of contemporary Italian design. Part of the acclaimed Benetti Oasis 40M series, she is the ideal yacht for fun-filled family charters. Every detail has been crafted to elevate life at sea, from expansive outdoor decks and a vast beach club to serene, light-filled interiors. A calm and refined atmosphere flows throughout, inviting moments of pure relaxation and effortless enjoyment.

The interiors of LIV LOVE, created by Kelly Behun, are defined by light, texture and quiet beauty. The main salon features symmetrical sofas to starboard and port, creating a calm and comfortable setting to enjoy unobstructed views of the sea. Forward lies a formal dining area bathed in natural light from floor-length windows.

LIV LOVE accommodates up to eleven guests across five beautifully appointed cabins. The full-beam master suite on the main deck offers a private lounge area, an office desk, dressing rooms and his and hers bathroom with a connecting shower in between. The remaining guest accommodation is located on the lower deck and includes two spacious VIP cabins, one double and one twin cabin with a convertible layout and an additional Pullman berth. Each cabin benefits from its own ensuite.

A dedicated gym on the main deck, complete with a Technogym adjustable-height bench and dumbbells, allows you to maintain your fitness while at sea. Yoga sessions can also be arranged on the sun deck for a more tranquil start to the day.

The sky lounge transforms into a private cinema for relaxed, cosy evenings, while a breakfast nook framed by wide windows opens through sliding doors to the aft deck. On the upper deck aft, a second dining area comfortably accommodates up to 10 guests for more intimate gatherings. It also provides a generous open-air lounge, while the foredeck offers a secluded retreat with forward-facing sun beds and sweeping views.

The sun deck features relaxed lounging aft, a shaded al fresco dining area for up to 12 guests amidship, and a sit-up bar forward with a sun bed facing panoramic views. A barbecue adds to the relaxed social atmosphere, perfect for long, sunlit afternoons at sea.

On the main deck, steps lead down to a spacious beach club at the water's edge, complete with a pool, sun pads, loungers, a relaxed lounge area and outdoor cinema. Fold-out terraces extend the sense of space, while a large swim platform offers the perfect launch point for water toys and tenders. LIV LOVE comes with a packed toy box to maximise the fun, including that charter favourite — a slide. A dedicated chase tender adds to the adventure, ideal for swift shore excursions.
