

BENETTI 164' (50m) MOTOR YACHT

Satisfy Your Spirit of Adventure

LUMIERE is the ideal vessel for a memorable holiday. This 50m (164 foot) Benetti motor yacht is a fine example of the builder's Italian flair and elegance in design. LUMIERE was designed and built to be able to undertake long cruises in the Mediterranean, Caribbean and the choice areas of the world. Accordingly, this large motor yacht provides every possible comfort and luxury. Her interior styling by Stefano Natucci features the use of exceptional materials and highly original details. Sanded and vibrant honey colored oak burl has been used for the yacht's furniture and panelling.

In French, the word "lumiere" means "light" and true to her name, LUMIERE welcomes light throughout the yacht. Spacious outdoor areas offer a variety of places to enjoy the sun or cool off in the shade. A large swim platform and a complement of water toys provides a wide selection of activities for guests to choose from. Inside, the interior design maximizes the use of light and natural materials to create a serene and open environment.

The experience onboard LUMIERE is enhanced by a five-star captain and crew who do everything to make every day exceptional.

LUMIERE

Comfort & Style On Deck

LUMIÈRE is designed to provide comfortable places for the entire party to dine and socialize. The Sky Lounge Deck (above) is a favorite place for al fresco dining and conversation. Aft of the main salon is a cozy open deck offering an under cover sitting and dining area, convenient to both the main salon and steps down to the swim platform. The Sun Deck (opposite) is laid out for a variety of activities. Adjacent to the Jacuzzi is a sun lounge area. The open-air fitness area is a pleasant spot for working out. In the evening, a large TV screen and comfortable seating make for a great outdoor cinema. A wet bar serves cool refreshments any time of day or night.

Elegant Salon & Sky Lounge

The interiors of LUMIERE are as pleasant as the outdoor spaces. Large windows provide breathtaking views of your destination while you enjoy air-conditioned comfort. The elegant Main Salon (far right) provides a tranquil spot for relaxation and a formal dining area. The more casual Sky Lounge (below) features an onyx bar and freestanding stools for easy conversation. The large couch, chairs and ottomans may be arranged to enjoy the large-screen television. A game table is perfect for cards, backgammon or using a lap top.

Superior Guest Staterooms & Main Deck Master Suite

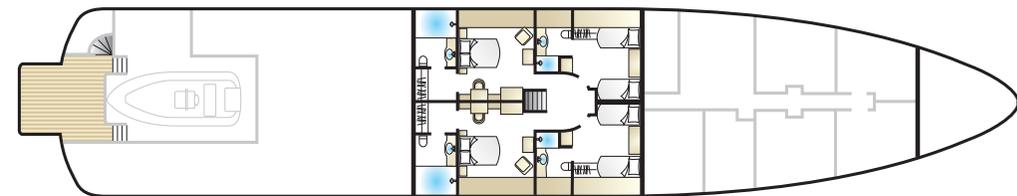

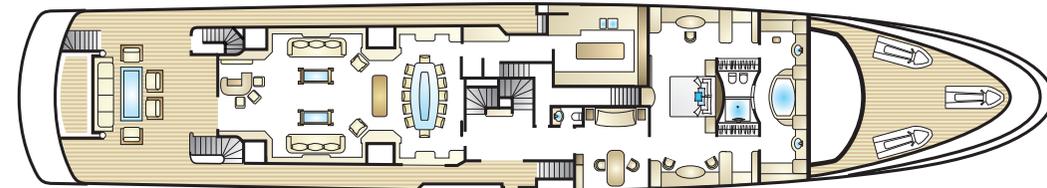

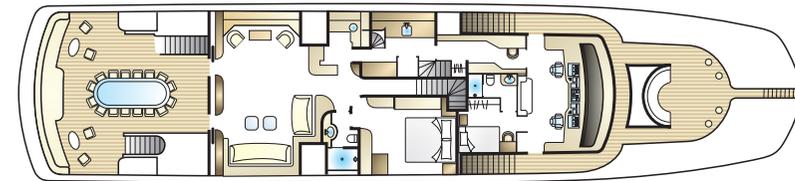

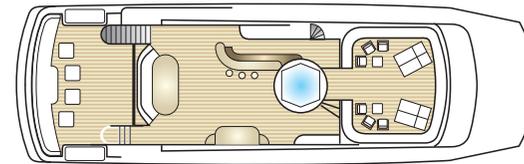

Every guest stateroom aboard LUMIERE provides absolute luxury, privacy and comfort. All feature honey oak burl panelling, fine fabrics and bathrooms finished in warm toned marble and honey onyx. Each guest room includes an entertainment system and is individually climate-controlled. The extensive use of mirrors enhances the sense of spaciousness. LUMIERE is configured with six staterooms to allow maximum flexibility in accommodations.
