## Exceeding Expectations at Every Turn – August, 2025.

### Crew/Service – A++

Fully staffed, exceptionally trained and coordinated, pleasant, interesting, happy and overly accommodating. They knew exactly what appropriate attention was and how to handle almost any request. Silent yet present when needed, and just super experienced. I couldn't help but notice the uniforms-sporty, fresh, trendy-with six versions, all coordinated down to the shoes! The service and attention were perfectly balanced. The laundry smelled great every day. The captain's flexibility, confidence, and knowledge were clear. He knew every Island, the ideal anchoring spots, and showed a willingness to harbor and pivot- always easygoing and pleasant, with great communication and providing options every day. He checked in constantly and was very, very accommodating. The crew took great care of the boys, even looking after them for late-night outings.

### Accommodations and Equipment – A

Being a brand-new-boat helps – extremely well appointed and finished, clean, with strong AC, and attention to every detail. Massive speakers and a karaoke machine with costumes, great towels, and fresh towels twice a day for swimming. Plates and silverware varied daily,etc. The TV room had an excellent layout and technology, while the outdoor sun and sitting areas offered multiple options. Swimming and water activities are very important to our group , and this was A-ranked with all the newest, highest-end equipment, a wide variety, and frequent availability without complaint. Plenty of places to find privacy as well - very nice.

### Food – A++

Exceeded expectations. Extremly fresh and clean, with high-quality selections, a wide variety, and an impressive range-outstanding. The best we have encountered to date. Many options suited everyone. We ate more meals on the boat than ever before, thanks to the exceptional offerings.

### Area Knowledge – A+
