Built by Palumbo and launched in August 2022, 22.30m MARTITA is an ideal yacht for hosting chic, intimate parties, complete with a DJ console system, powered speakers, and a Sonos Platinum sound system.

MARTITA welcomes up to 8 guests overnight, 12 guests cruising and 20 guests in port. The beach club feeling onboard MARTITA celebrates every aspect of the fusion between a private beach club and a yacht, providing the finest moments and features that are hard to beat on any yacht of this size.

The full-beam sun pads (almost six metres wide) offer copious amounts of space for up to ten guests to sunbathe overlooking the extended swim platform. There is a full-length table to seat ten for a special al-fresco dining experience overlooking the ocean. While the private chef prepares a first-class cuisine in the open-style kitchen and bar, the guests can enjoy their favorite tunes spun from the DJ console.

Made for adventure, MARTITA features a fleet of toys for exploring the big blue, including a Williams SJ395 2025 Tender. Maximum comfort is provided thanks to the Gyro Seakeeper 22 Stabilizer.
