Wow wow wow! We can't thank you enough. BEST family vacation of our lives. The Captain and the full crew became close with both families. Everything exceeded our highest expectations! Navilux was absolutely PERFECT. Every detail was taken care of by the BEST crew and the awesome Captain! We will never forget this sailing experience. Looking forward to doing this in the future again!

Guest | July 2023

We hadn't beyond our thoughts of how incredible this holiday would be. The whole crew, the island hopping, the yacht + all of your everyday suggestions were perfect and made this trip one of the best we have ever had.

Our experience on board Navilux was simply outstanding. The entire crew led by Captain Ante could not be more hospitable, warm and welcoming. Every aspect of the week was professional and to the highest standard.

We had 6 adults and 4 children ranging from 16,14, 13 & 12.

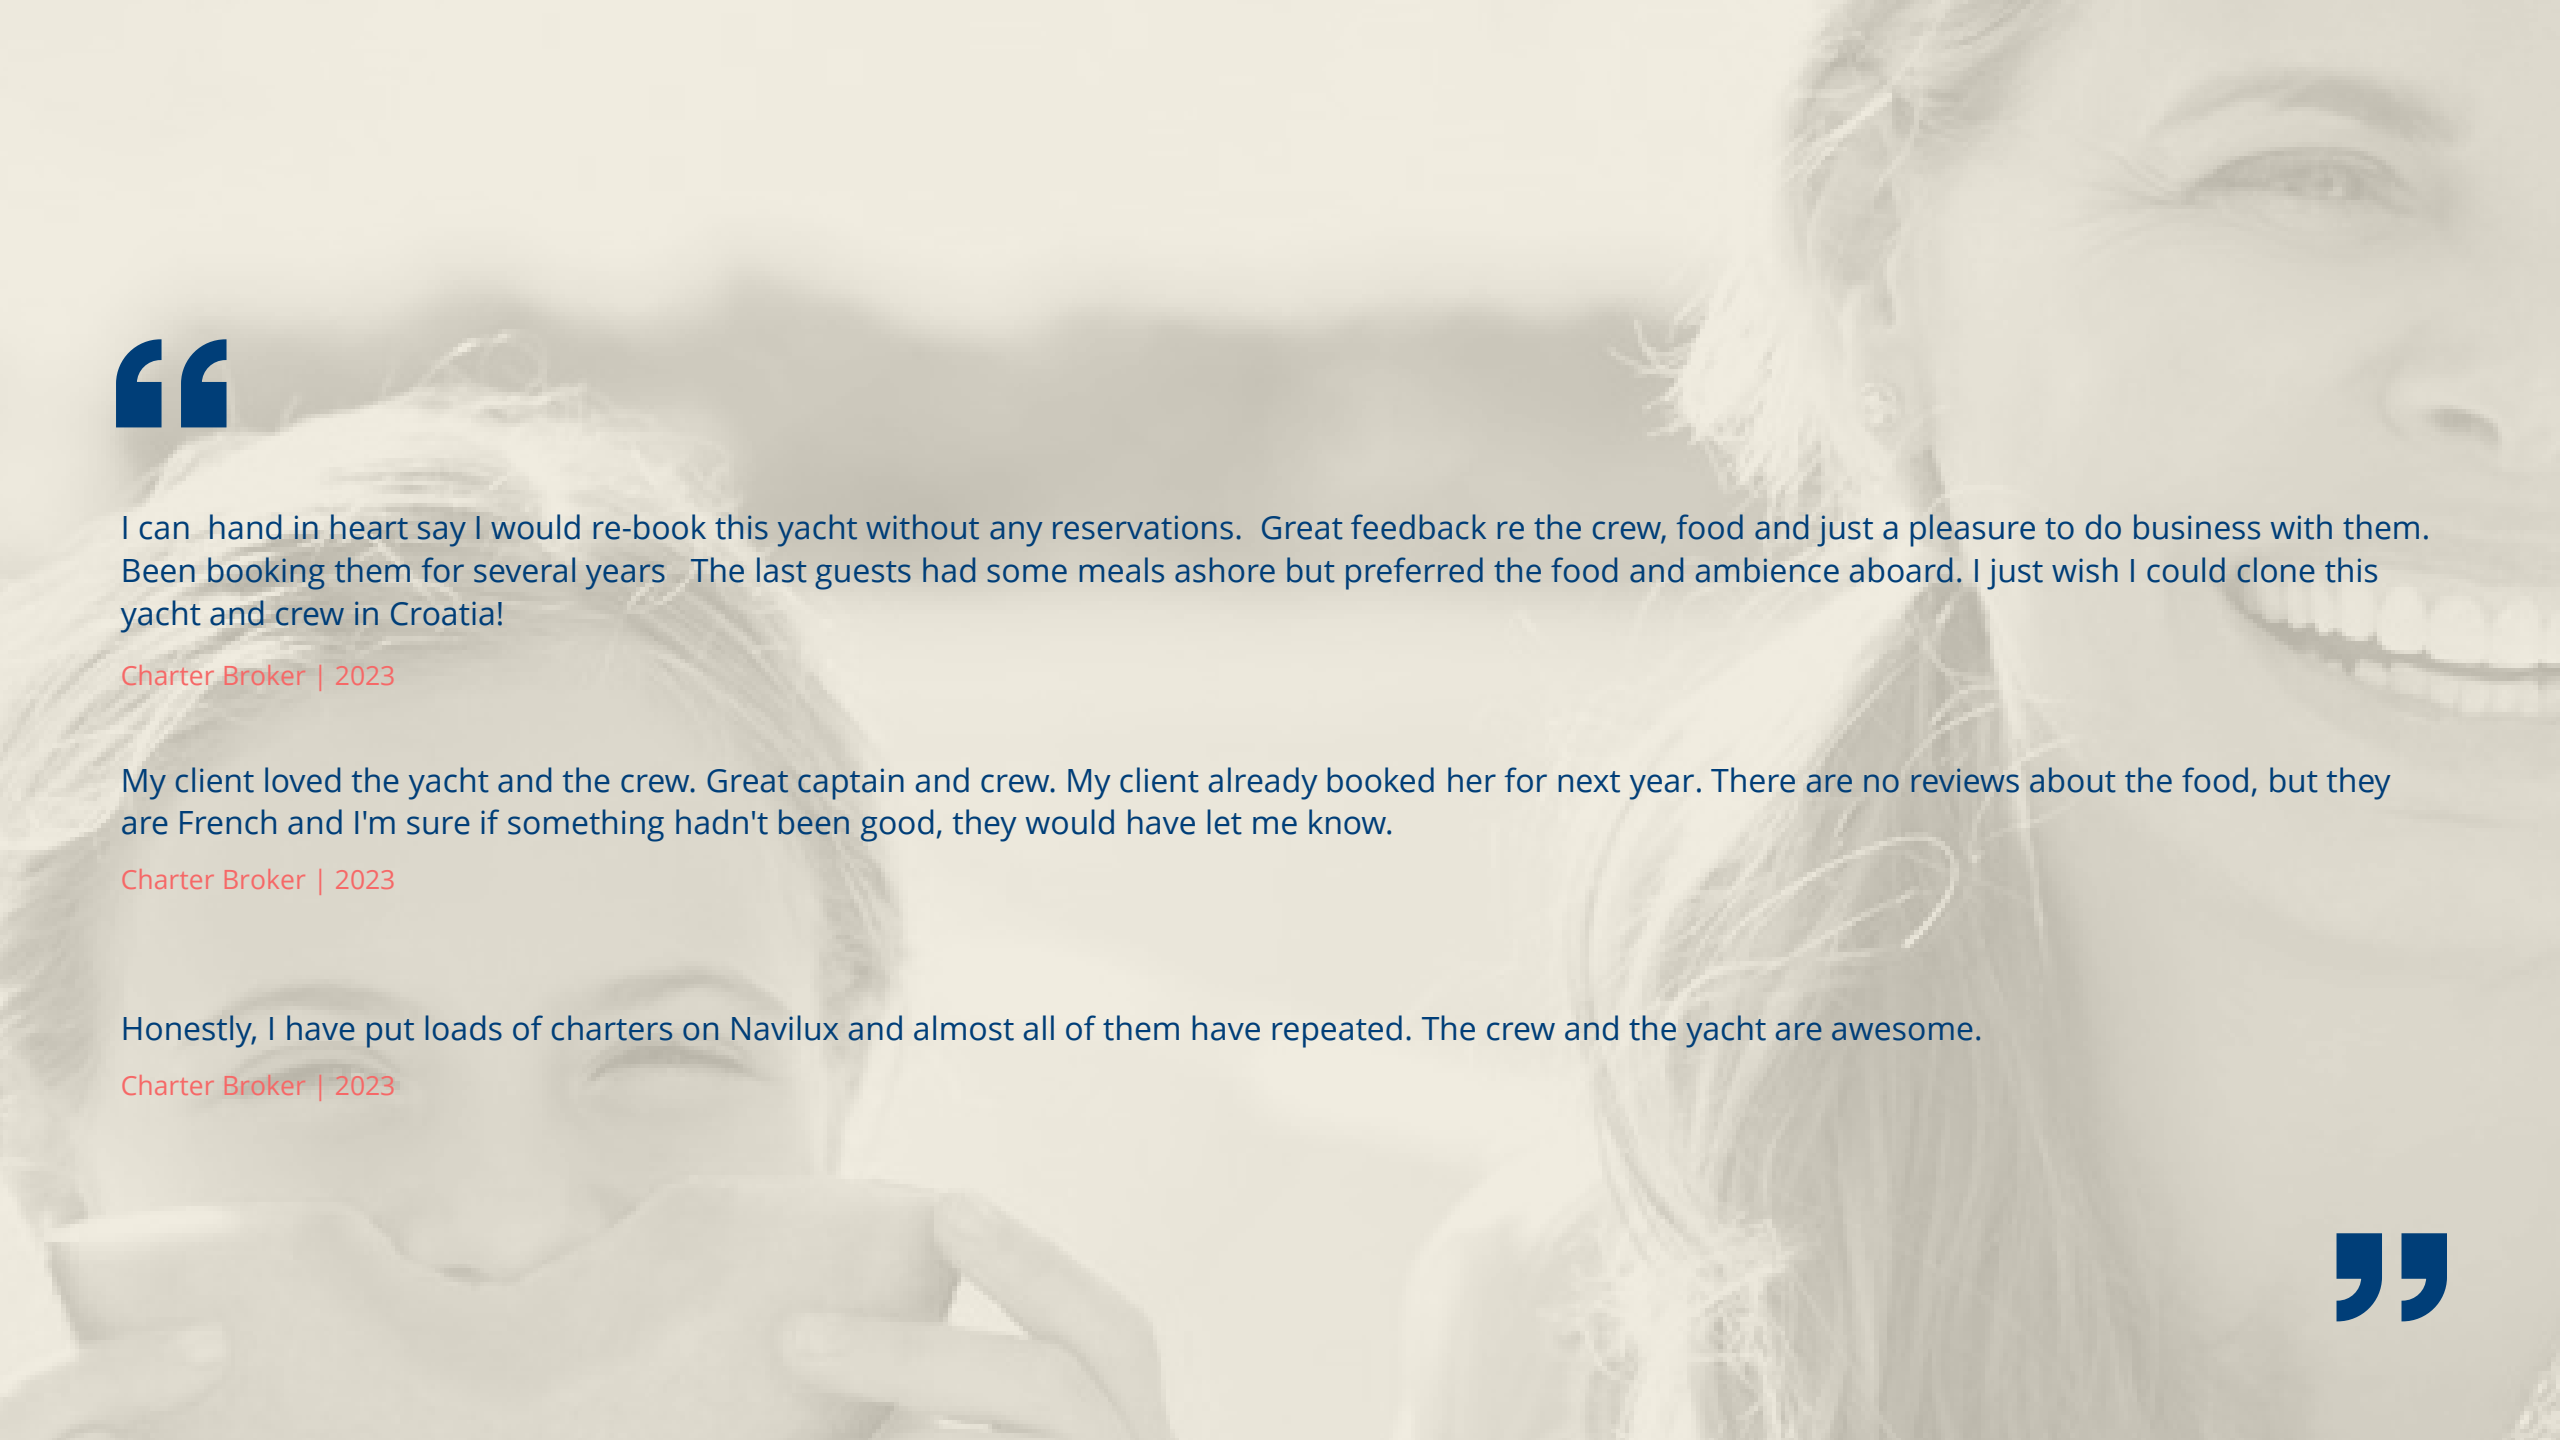

Superlatives are simply not enough to describe the quality of the boat which although built in 2012 is immaculate and held to the highest standard. Every need is catered to from clean towels and cabins, games for the kids, special food requirements, water activities etc. The Croatian coast lends itself to easy cruising, secluded anchorages, water clear as gin as well as opportunities to visit small villages and towns on the various islands.

The food is almost too much. We had asked for more simple fare for our lunches this trip and were rewarded with salads, fish, BBQ -- Chef Ante is an amazing talent. We had a plethora of fresh seafood as well as pastas and of course his desserts were a hit EVERY night.... This is a luxury charter in every respect.

No one could be disappointed with an experience on board Navilux. Our entire family continues to rave about our week (and looking forward to more).

I can hand in heart say I would re-book this yacht without any reservations. Great feedback re the crew, food and just a pleasure to do business with them. Been booking them for several years. The last guests had some meals ashore but preferred the food and ambience aboard. I just wish I could clone this yacht and crew in Croatia!

Charter Broker | 2023

My client loved the yacht and the crew. Great captain and crew. My client already booked her for next year. There are no reviews about the food, but they are French and I'm sure if something hadn't been good, they would have let me know.

Charter Broker | 2023

Honestly, I have put loads of charters on Navilux and almost all of them have repeated. The crew and the yacht are awesome.
