

NELA

FOR CHARTER

NELA

Contemporary Cool

The 42-metre NELA is a compelling expression of contemporary Italian yachting. Built by Benetti in collaboration with long-time partners Stefano Righini and the French design studio Zuretti, she pairs bright and airy interiors with outdoor spaces fine-tuned for both privacy and conviviality. This charter favourite returns for the season with renewed spirit and subtle upgrades following a 2025 refit.

From the expansive sun deck to the brand-new foredeck Jacuzzi, NELA is built for carefree days out on the water. Her bright interiors, welcoming layout, and seasoned crew ensure every detail is taken care of, creating a seamless charter experience.

INTERIOR

Let There Be Light

NELA's interior is a masterclass in understated elegance. Natural light pours through in oversized windows throughout the interior, playing across crisp linens and polished finishes.

At the heart of NELA is the main saloon with Fendi sofas and a curated collection of contemporary art that adds a touch of colour and personality. It's a space equally suited to conversation or quiet moments out of the sun.

Above, the sky lounge offers a different mood, with low-slung sofas and a marble-topped bar, perfect for cocktail hour or movie nights on the large screen. A dining table for 12 is framed by floor-to-ceiling glass doors that slide open for formal dinners, always with the sea in view.

ACCOMMODATION

A Room With a View

NELA welcomes up to 10 guests across five bright and beautifully appointed cabins. The standout is the full-beam master suite on the main deck, where wraparound windows bathe the space in natural light and offer uninterrupted views across the bow. It also benefits from a walk-in wardrobe, and a marble en suite bathroom with dual vanities and a new walk-in shower.

On the lower deck, two generous VIP, a double cabin and a twin cabin complete the guest accommodation. Each features an en suite bathroom with contemporary finishes and thoughtful detailing throughout.

EXTERIOR

Italian Made

NELA is the result of a long-standing partnership between Benetti and Stefano Righini, two icons of Italian yacht building behind some of the country's most successful charter yachts. She strikes the perfect balance between spaces made for both entertainment and deep relaxation.

Her crown jewel is a sprawling sun deck, where deep sink-in sofas, generous sunpads and loungers invite guests to unwind beneath a retractable sunshade. A large dining table sets the scene for leisurely lunches or relaxed dinners at anchor. Come sundown, a dropdown TV and high-spec sound system transform the space into a breezy open-air cinema.

Up front, the foredeck invites afternoon lounging or a sunset aperitivo with oversized sunpads and a Jacuzzi. And at the stern, the aft deck pairs built-in sofas with bamboo armchairs, ideal for a shaded breakfast or a peaceful morning coffee with a view.
