A HOTELIER'S VISION AT SEA

Where five-star hospitality *meets the open sea*

The owners of Pap's Toy III are former proprietors of one of Saint-Tropez's most iconic five-star establishments — a heritage that permeates every detail of the charter experience. Flawless service, exceptional attention to detail, and a seamless anticipation of each guest's desires.

The Art of Effortless Living

From the kitchen to the deck, a dedicated three-person crew crafts every moment with the same care: fresh Mediterranean cuisine, quality seasonal produce, refined salads — and the elegant service of those who understand that true luxury is never seen, only felt.

Hermès, Loro Piana, Astier de Villatte,
L'Objet, tables by Paola Navone...
a personal selection by the owners, placed on
board with one intention — to delight.

A crew of *distinction*

CAPTAIN

Martin Heinisch *49 years old · Seafarer since the age of 12*

Fifteen years at the helm of the Mediterranean's most prestigious motor yachts — Mangusta, Leopard, Wally, Sanlorenzo. A rare background as a professional killer whale trainer gives him an instinctive reading of the sea few captains can match. On board, he is guided by one principle: that every guest deserves nothing less than the extraordinary.

Captain 500 GT Unlimited · Medical 3 · CGO · ECDIS · Advanced Fire-fighting

FIRST MATE & STEWARD

Florent Le Gand *35 years old · Born into a family of seafarers*

A certified captain since 2009, currently commanding the owner's 18m second yacht, he brings exceptional seamanship to every voyage. On board, he is entirely devoted to guests' comfort — service, cabin care, galley assistance — with the quiet efficiency of a lifelong seafarer.

Captain 200 GT · Medical 2 · CGO · Fire-fighting

DECK, STEWARD & COOK

Jonathan Salingue *26 years old · Port Grimaud · Embarked May 2025*

Former port agent at Port Grimaud, Jonathan spent an entire winter mastering Mediterranean cuisine — seasonal vegetables, refined salads, homemade pies. He brings energy, warmth, and dedication to every aspect of life on board.

CMP · HACCP · Medical 1 · Fire-fighting

On board, the crew offers paddleboard, snorkelling equipment, two Sublue underwater scooters, and a Williams Project 385 tender with buoy and wakeboard options.

Jet skis, flysurf, e-foil, and Seabobs can be arranged on request through partner nautical bases.
