# PARTY GIRL

Icon's truly inspired 205-foot (62.5m) luxury motor yacht PARTY GIRL came onto the scene in 2013. Featuring crisp, classic exterior lines, courtesy of Redman Whiteley Dixon, and an elegant interior style designed by Christiano Gatto, she is one of the top charter yachts in her class.

Ideally suited for chartering, luxury yacht PARTY GIRL's layout ensures privacy and comfort. Twelve guests can enjoy a five-star holiday in one of PARTY GIRL's eight staterooms. She features two master suites, one located on the main deck and one located on the upper deck. Both have king-size beds, en-suite baths and access to a private salon that features panoramic views. Two additional queen guestrooms are also located on the upper deck. The four additional staterooms are all located on the lower deck. Two are doubles with queen-size beds and en-suite baths and two are twins, capable of conversion to doubles, with en-suite baths. All staterooms have been outfitted with the highest quality materials and styled by the famed Christiano Gatto, who created a comfortably chic ambience throughout the yacht.

The interior of the yacht offers art deco vibes with Oriental touches in a contemporary style. The atmosphere is Zen-like, akin to a spa and ideally suited for relaxation. Christiano Gatto utilized indigenous woods, such as walnut Canaletto, ebony, rosewood, mahogany, leather and natural stone, including black meteorite marble, travertine, wenge, to create the magnificent spaces. One of the highlights is a 17-meter main salon.

On deck, charter yacht PARTY GIRL does not disappoint. Enjoy her gym located on her exceptionally large beach club. The main and bridge deck aft both feature alfresco dining and lounge areas. The yacht also features a Jacuzzi, an outdoor lounge area with sunpads. This ocean-going luxury charter yacht carries 16 crew who will cater to your every need. The five-star onboard chef is available to create one-of-a-kind dining experiences during your holiday.
