WELCOME ON BOARD

There is always somewhere special to spend your time aboard PREMURA. Built by Sanlorenzo, this 37.95-metre yacht invites guests to enjoy the sea in their own way, with generous outdoor spaces, inviting lounges, and a sundeck Jacuzzi overlooking the horizon. Whether gathering for long lunches, finding a quiet spot in the sun, or enjoying a film beneath the stars, guests will find plenty of ways to make the most of their time on board.

BALCONY

BALCONY

The main deck aft offers a welcoming setting for alfresco dining, with comfortable sofa seating and a spacious table - perfect for leisurely breakfasts or drinks after a day on the water.

As evening approaches, the upper aft deck becomes a wonderful gathering place, with dining for twelve and an outdoor cinema. Guests can enjoy dinner together before settling in for a film under the night sky.

For quieter moments, the forward main deck offers a particularly clever arrangement. Two teak coffee tables can be lowered to create sun loungers, while comfortable sofas provide a more intimate setting away from the larger social areas.

FOREDECK

With a jacuzzi, inviting sunpads, and a fully equipped wet bar, the sundeck offers the perfect setting for sun-filled afternoons, refreshing drinks, and uninterrupted sea views.

INTERIORS

Step inside PREMURA and discover a welcoming setting for spending time together. Her main saloon offers comfortable seating, a dedicated bar, and a dining area for twelve, making it just as inviting for a quiet afternoon as for a dinner shared with friends. A side balcony opens from the starboard side, bringing guests closer to the sea and adding another dimension to the main deck experience.
