M/Y PROVOCATEUR

A wide-angle photograph of the sundeck of the M/Y Provocateur. The deck is made of light-colored wood planking. A large, L-shaped sectional sofa with light blue cushions and several dark blue and patterned throw pillows is positioned along the back and right side. To the left of the sofa is a built-in white cabinetry unit with a curved top and a small countertop. In the foreground, there are two modern lounge chairs with dark, textured fabric and gold-colored frames. A small, round, dark blue table is partially visible on the left. The deck is enclosed by a stainless steel railing with a glass infill. Beyond the railing, the blue sea stretches to the horizon under a bright blue sky with scattered white clouds. The name 'M/Y PROVOCATEUR' is printed in white capital letters on a dark blue background in the bottom right corner.
