The 50m RENEGADE, built by Lloyd's Ships Holding International and designed by Bernie Cohen in collaboration with Allan Dowd, combines robust long-range cruising capabilities with elegant design and refined onboard comfort, making her an excellent choice for luxury Mediterranean charters. Brand new to the charter market for summer 2026, she offers guests a rare opportunity to experience a pedigree yacht presented in immaculate condition.

Originally launched in 1992 as the 43m Robusto, RENEGADE has benefitted from extensive upgrades, including a major stern extension in 2016 that brought her to 50 metres, significantly expanding deck spaces and enhancing onboard functionality. Most recently, she underwent a full exterior repaint in 2025/2026, ensuring a fresh, modern appearance for the upcoming charter season.

RENEGADE boasts a warm, inviting interior designed by Ricky Smith, blending classic elegance with contemporary comfort. Spacious, light-filled areas—including a full-beam saloon, formal dining room and a cosy upper-deck sky lounge—create an ideal setting for entertaining or unwinding while cruising.

Accommodation onboard is designed with flexibility and comfort in mind, making RENEGADE particularly well suited to family charters. She comfortably accommodates up to 10 guests in five cabins (ideally up to eight adults), attended by a dedicated and professional crew of eleven.

RENEGADE

The full-beam master suite on the main deck offers an impressive private retreat, complete with a study, walk-in wardrobes and ensuite facilities. Generous proportions and refined detailing create a calm, luxurious atmosphere, ideal for longer stays onboard. Guest accommodation on the lower deck comprises three double cabins and one single cabin with a Pullman berth, providing versatile options for couples, children or nannies.

RENEGADE's exterior presents a timeless yet commanding profile, with a deep blue hull and crisp white superstructure underscoring her pedigree and presence at sea. Spacious exterior decks across three levels offer versatile areas for relaxation, al fresco dining, sunbathing and socialising. The generous sundeck invites open-air lounging, while the aft decks provide seamless access to the water for swimming and water sports. Twin staircases lead to the expansive swim platform, allowing guests to enjoy an extensive selection of water toys, including a 2018 Sea-Doo GTX Limited 300, a LIFT eFoil 4, an inflatable slide, two paddleboards, two SEABOB F5S scooters and a Sublue US Seabow. Guests can travel comfortably in the Magazzù MX-12 Gran Sport 12m tender or the Williams 385 (2017) tender.

For fitness-focused guests, RENEGADE features a well-equipped onboard gym with a Technogym rowing machine and treadmill, a Fitness Styling Bike (OMA), a Ride Smart Bike (Technogym), and a comprehensive range of fitness accessories—including resistance bands, dumbbells, kettlebells, medicine balls, foam rollers, yoga mats and rings, suspension trainers, boxing gloves, jump ropes, and more—ensuring guests can maintain their fitness routines while at sea. After workouts, guests can relax in the dry spa with infrared light for ultimate recovery and wellbeing.

RENEGADE is superbly suited to chartering the South of France, the Italian Riviera and the wider Mediterranean, from the glamour of Cannes and Saint-Tropez to Portofino, Capri and the Amalfi Coast. Her generous volume, thoughtful layout and extensive amenities provide an ideal base for exploring iconic harbours, picturesque coastal villages and secluded bays in comfort and style.
