- Assorted table games
- Volleyball set
- Towable Tube
- Fishing gear
- Beach set up

RIO

From morning coffee on the flybridge to afternoons spent around the foredeck Jacuzzi and evenings dining under the stars, RIO is designed to make the most of time on the water. Built in 2023, RIO offers a variety of spaces for guests to gather, relax, and enjoy each destination at their own pace. Whether spending time in a quiet anchorage or cruising between stops, life on board moves between the yacht's expansive living areas, with the flybridge, main deck, beach club, and foredeck each offering a different setting throughout the day.

RIO's outdoor spaces are central to the experience. The aft deck is arranged around an oversized dining table that comfortably accommodates all 10 guests, making it a favorite spot for long lunches and relaxed dinners. On the flybridge, guests can settle into lounge seating for morning coffee or evening cocktails, while a separate circular table provides another option for casual dining. Forward, the Jacuzzi is surrounded by sunpads and can be shaded by an awning, creating a comfortable place to spend the afternoon while taking in the views.

For guests drawn to the water, the beach club becomes a natural gathering point throughout the day. It is the launch point for the yacht's water activities and a comfortable place to relax between them, making it easy to spend hours moving between the water and the yacht.

Inside, RIO's contemporary interior feels bright and open. The main salon's floor-to-ceiling windows fill the space with natural light, while generous lounge seating creates a comfortable setting for conversation and relaxation. Forward, the dining area seats all 10 guests, and a wall with retractable glass separates it from the galley, allowing guests to enjoy a more interactive dining experience when desired. Throughout, the yacht is maintained to an exceptionally high standard.

RIO Continued...

Accommodating 10 guests in five cabins, RIO offers a flexible layout well suited to a variety of charter groups. The full-beam master stateroom on the main deck features a king bed, two settees, and an en-suite. On the lower deck, accommodations include a convertible king stateroom, two VIP staterooms with queen beds, and a twin cabin that converts to a queen and includes a Pullman berth, all with en-suite bathrooms. What elevates the experience aboard RIO is the team behind it. Having built a strong reputation over two years of chartering, the yacht is known for delivering consistently high levels of service. The crew is experienced in hosting everything from active groups to multi-generational families and adapts each charter accordingly. RIO's Captain brings 30 years of experience, offering rendezvous diving and sharing his knowledge of local waters, whether guests are interested in diving, fishing, sightseeing, or finding a quieter anchorage. Onboard, the interior team organizes events and theme nights, while the chef, who previously owned a restaurant in Spain, continues to earn praise from charter guests for her culinary program. Together, they create an experience that feels thoughtful, well-executed, and tailored to the guests onboard.
