

SABAI

111' (33.85m) Cantiere Delle Marche

SABAI

The SABAI is an exquisite 33.8-meter tri-deck charter yacht, built by Cantiere Delle Marche in 2019 and recognized with the prestigious 2019 Boat International Design and Innovation Award. Combining boho-luxe interiors with innovative design, the yacht seamlessly merges comfort and sophistication. Its fluid architectural lines and natural tones create a harmonious environment that blends effortlessly with the surrounding ocean.

The yacht accommodates 10 guests in five luxurious staterooms, including a master suite on the main forward deck and four additional spacious staterooms amidships. Deluxe Pullman beds add flexibility for additional guests. The floating glass staircase, a centerpiece of the design, connects the levels with a sense of elegance and airiness.

Guests can indulge in the sundeck's illuminated glass-walled jacuzzi, offering panoramic views and a serene retreat. Surrounding it are plush sunpads and ample leisure space for socializing or relaxing. Adjacent to this area is a covered alfresco dining and bar space, providing shelter from the wind while maintaining a strong connection to the outdoors. The main salon, designed for lounging, flows effortlessly into the open sundeck, while the upper salon features a formal dining area centered around a striking table.

The dedicated crew of six ensures every need is met, while the onboard chef prepares gourmet meals tailored to guests' dietary preferences. Whether seeking laid-back elegance or thrilling water sports, SABAI delivers an unforgettable charter experience
