

TWO OCEANS

SKIMMER

CHARTER

BORN TO SAIL. BUILT TO PERFORM.

SKIMMER is a 77'/(23m) racing catamaran that truly breaks the mold. The only performance catamaran in all of Croatia and the 2017 winner of the prestigious Cape Town 2 Rio race, this exceptional charter yacht combines the intense joy of sailing with all the superyacht luxuries, from an alfresco cinema to a five-cabin layout. With an interior that's pure class and a sailing pedigree that is pure sport, SKIMMER is the best of both worlds.

SKIMMER is best suited for 8 guests but can accommodate 10 guests in five cabins. Four of the five cabins have an ensuite, while the fifth has its own dedicated bathroom located just outside. All guest accommodations are beautifully appointed, fine linens and either king or queen-sized beds.

The catamaran's wide twin-hull design allows for a huge aft deck dining area, which flows seamlessly into a stylish open-plan saloon and high-spec chef's galley, furnished in natural wood tones and flooded with light from the panoramic windows. Yet another entertaining space is found up on the shaded flybridge, while happy afternoons can be spent lazing about on the 'trampolines' stretched between the twin hulls at the bow.

SKIMMER is a luxury yacht, to be sure, but she is born to sail. She is an ideal charter prospect for people who want to enjoy the pure sport and adrenaline of sailing— whether that's a group of friends who are keen sailors or a family of beginners wanting to get their kids into sailing in a safe yet thrilling way.
