Enjoy • Unwind • Relax

Enjoy the matchless experience of one of the most significant yachts available for charter today. SOLEMAR is a yacht of refined grandeur and exemplary performance.

Master Suite Office • Main Deck

SOLEMAR's accommodation is dominated by a spectacular two-story master stateroom, approached via a mirrored and bronze lattice-lined hallway.

Master Suite • Main Deck

The impressive proportions of the stateroom itself are highlighted by a 13ft oval skylight and two levels of windows, affording spectacular views from the private lounge and study on the second story.

Master Suite • Main Deck

The Master Suite lobby is flanked by 'his and hers' dressing rooms and marble bathrooms.

Main Salon • Main Deck

A unique interior reflecting SOLEMAR's distinct exterior lines and strong presence has been achieved by blending innovative design and the best in fabrics, furnishings and fixtures.

Forward of the Main Salon is the twelve seat Dining Salon and the Spa/Guest Cabin.

Separating these two areas, is a fully equipped gymnasium, enclosed by glass walls and boasting air-conditioning, a superb sound system and panoramic views.

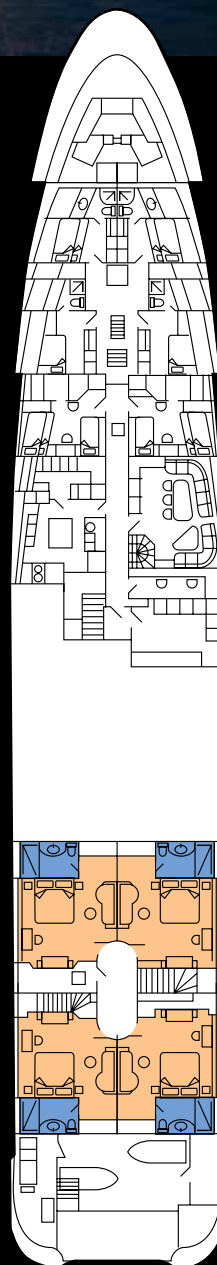

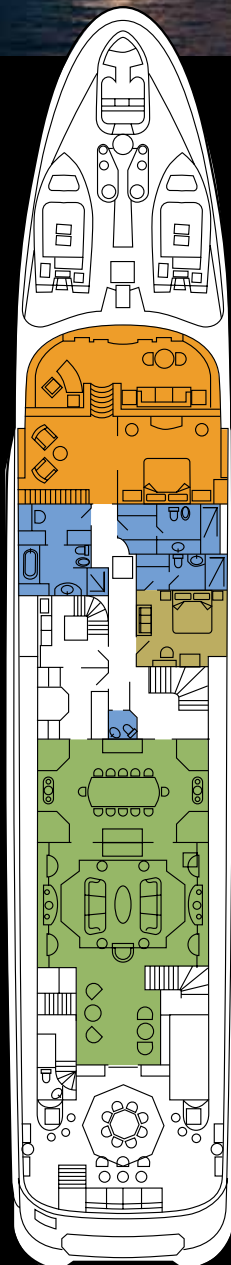

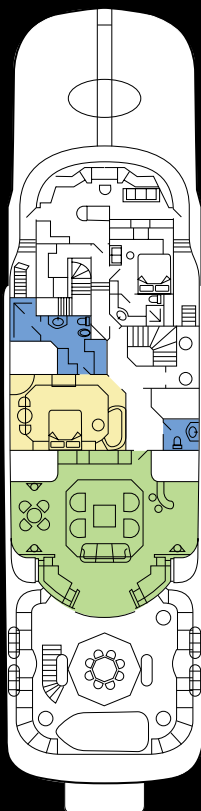

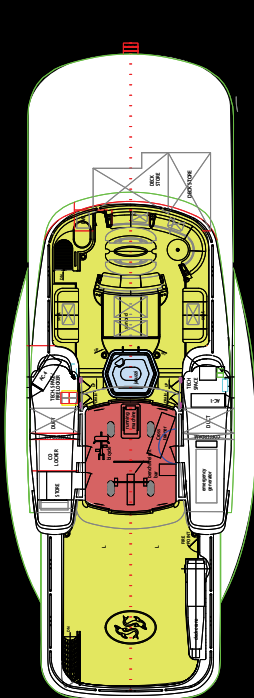

The Sun Deck can transform from a perfect lounge & open-air dining veranda and into a disco floor, complete with overhead lighting, a DJ mixing station and 2,000 watt sound system.
