“

Our week aboard the Son de Mar in Croatia was beyond extraordinary! From the moment we set sail, Captain Mate Vitaljic and his incredible crew made this journey one we will never forget.

Chef Antonija and sous chef Nena spoiled us with world-class meals that rivalled any fine dining experience. Stews Matea, Indija, and Lea brought so much warmth, care, and attention to detail, making us feel truly pampered every day. Deckhands Ivan, Luka, and Nikola worked tirelessly to ensure smooth sailing, safety, and fun at every stop. The entire team worked in perfect harmony, creating an atmosphere that was both professional and deeply personal. Croatia's coastline is breathtaking, but it was this exceptional crew that made our trip absolutely magical.

If you are considering sailing Croatia, the Son de Mar with this outstanding crew is the only way to do it!

Guest | September 2025

Everything was perfect. The crew. The boat. The food was exceptional... one of the best we had so far.

Guest | June 2025

The trip went very well indeed, and we couldn't have expected better. The boat was very clean and very efficiently run, plus the toys and facilities were all in working order and always at hand. The crew were always prompt, efficient and very courteous, eager to please with a genuine smile. Captain Mate runs an excellent crew and is very professional. The captain's wife was in charge of the kitchen and worked tirelessly to impress us with her skills - the food was excellent and varied.

We had a wonderful time on board and would certainly recommend the Son de Mar to friends and families that enjoy the sea and love the simple, essential pleasures of a laid-back life on board a very good value for money yacht.
