SWEET MARYI

FOR CHARTER

SWEET MARYI

Under the Mediterranean Sun

Sweet Maryi arrives on the charter market following a transformative 2026 refit, welcoming guests for her debut season. At 52.3 metres, this Amels brings fresh energy to a model long admired in the 50-metre class and joins the fleet newly revitalised, with renewed interiors and a seasoned crew in place. Perfectly timed for a season of island hopping, diving adventures and Mediterranean sunsets, she stands as one of the most compelling charter debuts of the year.

INTERIOR

Contemporary Comfort. Coastal Ease.

Laura Sessa's contemporary coastal vision has been elevated by a comprehensive refit by T. Fotiadis Design, honouring the yacht's original spirit while introducing a fresh touch. The main salon forms the social heart on board, framed by expansive glazing that keeps the sea in constant view. Above, the upper salon offers a more relaxed setting, complemented by a new 88" television.

Entertainment is fully integrated throughout the yacht via Lantic Entertainment Systems, delivering on-demand media in every guest area. Lighting, air conditioning, and CCTV can be managed through intuitive on-screen controls, while Bluetooth speakers connected via iOS AirPlay allow music to move from deck to deck.

A comprehensive 2026 renewal refreshed all interior areas with new furniture, carpets, cushions, linens, towels, and tableware throughout.

From Sunrise to Sundown

On the main deck a coffee table lounge arrangement provides a relaxed setting for arrival drinks or early morning espressos. The principal al fresco dining area is found on the upper deck, offering a shaded setting for breakfast, lunch and evening dining. An awning covers the aft lounge, while sliding glass panels temper the breeze without compromising the view.

The sun deck is devoted to leisure, with a Jacuzzi framed by generous sunpads and a bar serving refreshments on demand throughout the day. Following her 2026 refit, renewed teak and new exterior furnishings give every deck a fresh finish.
