## TWILIGHT

The Oyster 125 by Dubois, Twilight was designed to be fast and comfortable. Twilight's Rhoades Young interior affords a 360-degree panoramic view from her upper deck saloon in air conditioned luxury and is an ideal place for more formal dinner at her fabulous inlaid wood dining table, while her aft cockpit and aft deck couches offer elegant alfresco dining and sunbathing. Unique to Oyster is her Flybridge, also with seating for ten combined with a table and drinks fridge the flybridge area offers spectacular views from high above the water and is the ideal spot to enjoy the sailing or relax with a cocktail and watch the sunset.

This exceptional Oyster offers accommodation for eight guests in four luxurious en-suite cabins. The full-width master stateroom is complete with a king size bed, sofa, large viewing ports two full-length closets and a writing desk. The en-suite bathroom has a large shower and toilet equipped with his and her sinks.

There are two double cabins with queen size beds which may also be divided on request to make singles; they are equipped with sofas, ample closet space, and private ensuite bathrooms. The fourth guest cabin offers two full singles and an ensuite bathroom and shower.

All cabins, the upper and lower salon have large screen televisions integrated with a multi-media system. The exterior lounging area and flybridge are equipped with a stereo.

## CREW

### **Captain – Kathy Pennington**

Kathy was brought up in South Africa and learned to sail at a very early age. She is proud to be one of the few female super-yacht captains. Kathy's father has been a huge influence in her life. He has always had a passion for sailing and this has been passed on to her. Her father had sailing yachts when they lived in Cape Town and then smaller ones on the Vaal dam in Johannesburg, so Kathy has always been around yachts while growing up.

After completing her qualifications, she spent several years restoring boats and doing yacht deliveries in her spare time. This was while she was a fulltime scuba diving instructor. She soon realized that sailing was her first love and sought to make it a profession.

For the last nine years, she has been running a 36-meter classic ketch *Tiziana*, which is fully chartered and is now looking forward to newer and more exciting times on board S/Y *Twilight*. Kathy and her enthusiastic team are very hands-on and together they will make your experience on *Twilight* an unforgettable one.

### **Chef - Jean Matthee**

Having worked in some of the finest locations from the UK to Cape Town, this fun loving South African Chef is bound to impress both with his food and hospitality. Chef Jean cooks contemporary Med cuisine with influences from his travels all over the world as well as some touches of local South African flavor.

Having been a sole yacht chef for over 4 years on the m/y *Tanvas*, he still fuels his avid love for travel and dedicates himself to exploring a new world and fulfilling every opportunity opened to him in the Yachting Industry. With the main focus on improving his skills and chef repertoire, one can never know too much and has to always be open to learn.

When he is not busy in the galley you'll most likely find him with a fishing rod in hand or behind the lens of his camera. If you are lucky and hook into some big Tuna or Mahi Mahi, he will give you a crash course of landing, cleaning and cooking that beautiful fresh fish on the spot.

Chef Jean looks forward to guiding you through the best possible food experience while onboard *Twilight*.

## CREW

### **Chief Stewardess – Nicola Groves**

Nicki developed her love of the water growing up on the Gulf Harbour of Auckland, New Zealand. As well as sailing, Nicki enjoys diving, swimming, paddle boarding and attempting to surf! One of Nicki's other loves is practicing yoga and she completed a children's yoga teacher training course last year back in New Zealand. Basing herself in London for several years, she gained hospitality experience at high end events and functions before her passion for travel led her to the yachting industry. She has worked on many different yachts throughout the Caribbean, Mediterranean and Pacific and enjoys providing exceptional service that will make your time on board memorable.

### **Second Stewardess - Alexandria Dekker**

Alexandria was brought up on the gulf coast of south florida. Surrounded by the waters of Sanibel Island, is where she quickly adapted a passion for the outdoors. Eighteen years later, she ventured over to the east coast of florida in search of something more. There she studied at Broward College, before realizing the yachting industry was in her minds sight. Some of her passions include permaculture, fishing, beekeeping, and sustainable design. She hopes that one day, her hospitality experience gained in the yachting industry will allow her to build a luxurious villa for others to enjoy.

### **Mate- Sean McRory**

Sean was born and raised in Rome, to Irish parents. He attended an International School in Rome where his love for languages was encouraged and thus is fluent in English, Italian and French. Having grown up in an International environment, Sean can relate to many different cultures and feels at home engaging with all. Upon finishing school, Sean went to university in England at Sussex University, to read International Relations and French Sean's experience on board stems from his sailing background as a teenager sailing lasers and catamarans on a lake outside Rome. Sean has worked on some of the most prestigious yachts in the world, from the three masted Schooner Adix to the record breaking Windrose of Amsterdam. He has also chartered extensively throughout the Caribbean and Mediterranean. Sean forms strong working relationships with others, taking initiative when necessary and does all he can to ensure a job is done well. He has a great deal of positive energy and firmly believes in embracing life to the fullest making the most of every opportunity.

### **Engineer – Wayne Jacobsz**

Wayne was born and raised in Pretoria, South Africa. He grew up loving anything water related and was an avid water skier from a very young age. He studied at the University of Pretoria where he received his BiS degree in Multimedia followed by a year and half in the related industry but there was always something missing in his life. He wanted to follow his dreams of seeing and exploring the world. He sold all his possessions and spent his savings to get started in yachting. After a couple of months he made his way to the Caribbean on a small 46ft yacht that left Cape Town in 2009. It was from there where he got his first job on a luxury sail yacht and has never looked back. Wayne likes scuba diving, wakeboarding, snorkeling, hiking and a new passion discovered in California, snowboarding. He loves tinkering and always on top of new gadgets that comes out in the market.
