Overview

Step aboard the 164' Westport VALINOR, where comfort meets adventure in one of the finest superyachts on the charter market. Delivered in 2013 and designed by Donald Starkey, VALINOR blends contemporary sophistication with a welcoming, home-like atmosphere. Whether you're traveling with family for action-packed days on the water or a group of friends seeking gourmet dining, craft cocktails and endless sunbathing, VALINOR's attentive crew delivers seven-star service, ensuring every moment of your charter is nothing short of unforgettable.

From the moment you step onboard, VALINOR feels expansive and inviting, like a much larger yacht. Her impressive sundeck is where you'll likely spend most of your time, with a spacious Jacuzzi, ample lounge areas and unbeatable 360-degree views—perfect for soaking in the sun or enjoying sunset cocktails. The crew is always on hand to create memorable experiences, whether it's alfresco dining or a champagne toast with friends.

Inside, VALINOR is bathed in natural light thanks to expansive windows throughout. The main salon is an entertainer's dream, flowing seamlessly to the aft deck, where a cozy lounge area is perfect for your morning coffee or a pre-dinner aperitif. Upstairs, the sky lounge offers another fabulous space for socializing, complete with a bar and panoramic views, leading out to a stunning alfresco dining area.

Accommodating up to 12 guests across six staterooms, VALINOR ensures comfort and privacy for all onboard. The magnificent master suite, located on the bridge deck, is a private oasis with its own balcony, a steam shower and a walk-in closet. On the main deck, you'll find a VIP stateroom, and below, two VIP king cabins, one king convertible cabin with a Pullman, and a twin cabin with two Pullmans offering a family-friendly layout. Each stateroom features an ensuite bath and all the amenities.

For those who love the water, VALINOR delivers with an extensive inventory of toys and tenders, including a 34' Regulator, two Sea-Doos, Lift foils, Seabobs, paddleboards and more. With zero-speed stabilizers and Starlink internet, VALINOR ensures you'll stay connected and in complete comfort no matter where your journey takes you.
