

# VELOCITY

An aerial photograph of a large, white luxury yacht sailing on a deep blue ocean. The yacht is viewed from a high angle, showing its sleek design, multiple decks, and a large glass-enclosed cabin. The word "VELOCITY" is superimposed in large, white, sans-serif capital letters across the upper portion of the image. In the background, a distant coastline with buildings is visible under a blue sky with scattered white clouds.

# BUILT TO CRUISE AROUND THE GLOBE

---

VELOCITY is a sleek and aggressively sporty Mangusta GranSport 54, measuring 54m in length overall. This all-aluminium superyacht is the perfect fusion of high performance and long-range cruising ability, able to voyage over extended distances quickly and comfortably. The Mangusta GranSport 54 is the flagship of the yard's range, and VELOCITY combines seakeeping excellence with comfort and autonomy. Her racy profile, designed by Alberto Mancini/Overmarine Group, reflects her sporty personality and her smart interior and exterior layout determines both the comfort of those on board and the efficient operation of the vessel.

# WELCOME ON BOARD

---

VELOCITY brings you closer to the ocean and sea-breeze with spacious decks and balcony extending from the cabin. The exterior spaces include a sun deck with sheltered al fresco dining space, a bar and large cushioned sun pads, an expansive lounge area on the main aft deck, and her foredeck boasts an impressive infinity pool. VELOCITY's beach club is another noteworthy feature of this modern and dynamic superyacht. With the transom door lowered, a large swim platform is created and this reveals a beautifully designed beach club lounge with an additional balcony platform on the starboard side.

# INTERIORS

---

VELOCITY's modern interior design is styled by Alberto Mancini, featuring light and airy spaces characterized by clean lines and a neutral color palette. The interior is finished with glossy dark wood paneling and large tinted windows, which fill the yacht with natural light and create a connection between the interior and exterior living spaces.

# ACCOMMODATION

---

VELOCITY offers comfortable and spacious accommodation for up to 16 guests. The yacht is equipped with seven cabins, each featuring ensuite facilities to ensure privacy and convenience for all occupants. The full-beam master suite is a private sanctuary, designed to provide the owner with a tranquil space to retreat. Located on the main deck, it benefits from large tinted windows and side opening balcony.
