The Ferretti 860 VITTORIA is the latest creation from Ferretti Group Shipyard, featuring exterior design by Filippo Salvetti and interior by Ideaeitalia. With an overall length of 26.95 m she provides space and furniture of a much much larger yacht.

The fresh and contemporary interior stands out for its unmistakable style and for the full-height windows that flood with the yacht with natural light. The helical staircase on the main deck leads down to the lower deck, where there are 4 double cabins, including 1 Master with king size bed based amidships and 1 VIP with queen size bed based forward, 1 double and 1 Twin. All cabins are air conditioned, with en-suite facilities and TV SAT.

Ferretti 860 VITTORIA is an innovative yacht with dynamic and clean lines. The cockpit's area is furnished with two sofas and a table that seats up to 8 people. The flybridge has a dinette, a multi-function bar unit and comfortable sun beds. Forward you can find a sunbathing area with sofas and a coffee table.

VITTORIA comes with gyroscopic stabilizers and vector fins that give the yacht a great stability both at anchor and underway. Furthermore she has a very low fuel consumption.

Boasting a vast array of water toys, this Ferretti 860 is operated by 4 crew members. She is equipped with Starlink high speed internet.
