*"Built for long-range cruising with complete self-sufficiency & comfort, M/Y X is the perfect yacht for both active and relaxing holidays on the sea. She offers unparalleled deck spaces for a yacht in her size-range, and an ideal cabin arrangement of a full-beam main deck Master suite, as well as three additional double and two convertible cabins. Her interior decor by Francesco Paskowski is the epitome of Italian design: a combination of clean lines, natural textures and abundant light create a soothing atmosphere on board."*
