Zenji

ZENJI blends the exhilaration of true sailing with the comfort and volume of a luxury motor yacht. Built by Perini Navi, this 56m yacht, which received a full interior and exterior refit in 2022, delivers powerful performance under sail and serene comfort at anchor. With expansive deck spaces and, panoramic views, she offers a charter experience defined by freedom and ease. The main salon is bright and welcoming, designed for both socialising and privacy. To starboard, a formal dining salon seats up to 10 guests in an elegant setting, while to port, a dedicated media lounge with a plasma screen provides a more intimate retreat for film nights or quiet downtime.

Designed by Perini Navi, ZENJI's interior blends classic yachting heritage with a light, contemporary feel. Warm, pale wood varnishes are paired with cream upholstery and crisp navy accents, creating spaces that are both timeless, yet relaxed. Large windows draw natural light deep into the interior, while carefully selected artworks and marine-inspired detailing add character and continuity throughout.

Accommodation for up to 12 guests is arranged across six elegant cabins, all ensuite with marble bathrooms. The standout master suite features a king-size bed, seating area, walk-in wardrobes and a luxurious his and hers bathroom.

Two doubles, two twins with Pullman berths, and one twin with bunk beds – ideal for children – complete the layout, ensuring excellent flexibility for a wide range of charter parties.

The aft deck centres on an expansive oval dining table for up to 12 guests, ideal for relaxed open-air dining. Forward, a cockpit lounge with wide-screen cinema invites casual lounging. Further aft, a fold-down side platform opens to the sea, creating an easy-access hub for swimming, water sports and tender boarding.

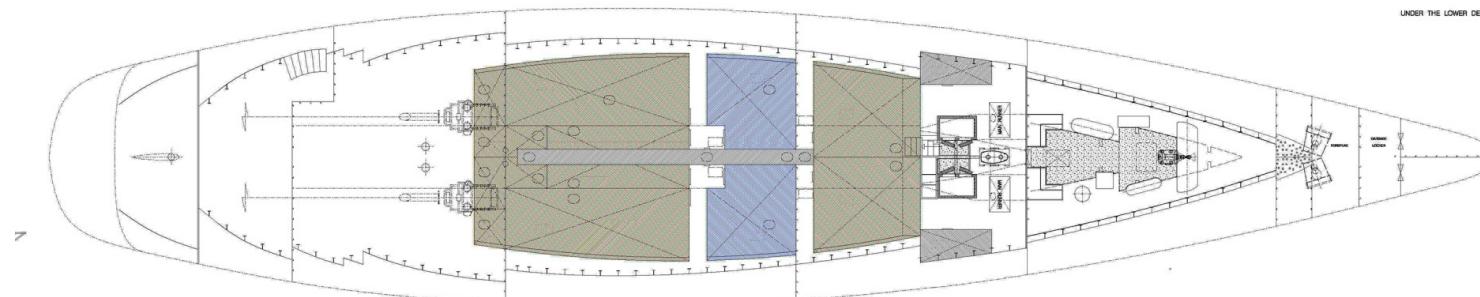

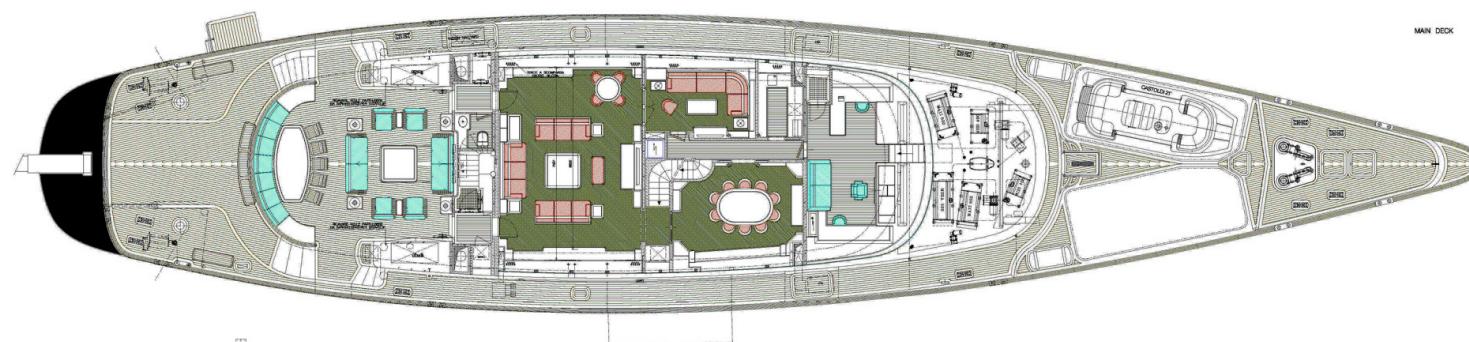

On the flybridge, twin helm stations forward provide full sail handling and navigational control, allowing guests to witness the yacht's superb sailing performance – which has been enhanced with a new \$1m rod package – first-hand. A Jacuzzi surrounded by new teak decking, generous sun loungers and shaded seating transform this deck into a social hub, perfect for relaxed afternoons or sunset moments with panoramic views.
